Longshoreman's Hall

- *Collaborate with urban agriculturists*
 - *Enhances community involvement*
 - *Incorporate greenhouses (grow local resources)*
- *Explore use of alternative fuels*
- *Developing the Master Plan is an opportunity to be cutting edge*
- *Place housing so it encourages upper classmen to stay on campus (maximize views, etc.)*
- *Add parking fees to tuition, so dedicated parking is available for campus residents*
- *Incorporate native grasses in central open space (people will stop to sit, hang out, film screenings could occur, etc.)*
- *Increased accessibility measures should be taken into account*
 - *Iraq veterans returning to school, etc.*
- *Street-calming measures are important, especially on Market, across from the large open space.*
