Other topics of interest to IAS students:

- **Portfolio-** this is a graduation requirement, due in your last quarter. Become familiar with the portfolio requirements.
<http://www.tacoma.washington.edu/ias/advising/ug/portfolio.cfm>
- **Declaring your concentration/minor-** If you are undecided about making your concentration (or optional minor) choice, advisers can help you with that process. To officially declare, go to the IAS office.
- **Success at UWT-** Get help with those papers and assignments from the Teaching and Learning Center. <http://www.tacoma.washington.edu/ctl/>
- **Internships and independent study-** these can be indispensable to landing a good job after graduating or getting admitted to graduate programs.
http://www.tacoma.washington.edu/ias/advising/ug/independent_study.cfm
- **Foreign study-** Check out the opportunities UWT has to offer. Scholarships may be available. <http://www.tacoma.washington.edu/travel/>
- **Career Services-** don't wait until graduation to start to think about the next step.
