

**University of Washington, Tacoma
Master of Nursing Program**

FIELDWORK (TNURS 503) PLANNING FORM

To assist in developing your placement for Fieldwork, please respond to the following questions. **Return to Dannah Madden (or email: maddend@u.washington.edu) by the third week of the quarter PRIOR to the quarter you are planning to take Fieldwork.**

- 1) Is this your 1st or 2nd quarter of Fieldwork? ____ 1st ____ 2nd]
(If it is your second quarter, briefly describe your first quarter of Fieldwork.)

- 2) Briefly describe your experiences with communities, populations, leadership, management and/or education (Attach your resume if desired).

- 3) What are your career goals? (You may attach your Goals Statement from your MN application if it is pertinent or revise the statement to better reflect your current goals).

- 4) Briefly describe your current position (organization; job title; responsibilities).

- 5) What experiences would you like to gain through Fieldwork? (ie. roles, setting, population)

- 6) Do you have an organization/experience you would like to suggest for Fieldwork? If so, please describe. Provide contact information (name, title of individual, organization, phone, email, address. A business card is helpful).
