Revised: September 2007

Checklist of things to do as you begin...

Here is an important checklist of things to do for students entering the School of Social Work (SSW) Bachelor of Arts Degree in Social Welfare at the University of Washington Tacoma.

☐ Read, keep and refer to this manual, registration guide, and the UWT Student Catalog:

Almost everything you need to know to earn your degree can be found in this manual along with quarterly registration guide and the UW Tacoma catalog. Every effort has been made to provide you with current and accurate information in this manual, however changes do occur. We will communicate changes to you as they occur and we encourage you to do everything possible to stay informed. If there are questions, please contact your Program or Faculty Adviser.

☐ Attend New Student Orientation on Thursday, September 20, 2007:

*The BASW Program orientation begins at 10:40 a.m. in the Science Building, Room 309. Attendance is **mandatory**. Visit www.tacoma.washington.edu/orientation for a complete schedule of orientation events and workshops designed to introduce students to campus services and resources.*

☐ Get your **FREE Student Planner:**

All newly admitted students receive a free student planner during check-in at New Student Orientation. The planner contains important information such as registration policies, campus services, program information, a faculty and staff directory, and a calendar for academic year. If you did not receive your planner please contact the Office of Enrollment Services at 253.692.4400.

☐ Seek Advising:

For registration and degree planning questions, please contact the Program Adviser at 253.692.5820. Students are also assigned a Faculty Adviser after the beginning of autumn quarter. Faculty Advisers assist with program and career planning. See the “Student Advising” section for more details.

☐ Open a UW e-mail account and subscribe to the appropriate UWT mailing lists:

*All students are required to set-up a UW Net ID, which gives them access to a free UW e-mail account. **All Social Work students are required to maintain a UW email account, be subscribed to the official BASW listserv, and check their email at least twice each week.** (Note: All BASW students are automatically subscribed to the UWTBASW listserv prior to the start of Autumn Quarter.) Important notices about courses as well as scholarship and job opportunities are frequently sent out via e-mail. If you do not check it on a weekly basis, you will be out of the loop and in danger of missing very important information. See the “Computing, Web Pages and Electronic Communications” section for more details.*

☐ Check the status of your financial aid:

Students may check the status of their financial aid via MyUW. See the “Financial Assistance” section for more details.

☐ Become familiar with the online UWT Student Catalog:

Course descriptions, campus resources, and university policies can be found in the UWT Catalog, available online at www.tacoma.washington.edu/catalog.

☐ Attend Library orientation:

New Student Orientation includes information on the on-line catalog, library collections, borrowing and reserve policies, etc. There will also be an opportunity to sign up for a social welfare specific library orientation during the BASW Program Orientation.

☐ Visit the Teaching & Learning Center (TLC)—Keystone Building, Room 202, 253.692.4417:

TLC provides academic support to students, faculty and staff, with a variety of resources and services. TLC consultants will read and respond to your writing, offer suggestions based on their own experiences as writers, and inspire you to think of new ideas and writing strategies. If you need to discuss assignments, start a paper, brainstorm ideas, organize material, revise rough drafts, overcome

writer's block, learn how to cite, review grammar, polish punctuation, or gain confidence as a writer, visit the TLC. In addition to writing, TLC also provides assistance with math and science, public speaking, reading, and study skills.

❑ Computer Labs—Walsh Gardner Building, Room WG-108, 253-692-5611 & Cherry Parkes, Room CP-005, 253.692.4415:

UWT Computer Labs are resources for the students, faculty, and staff. As a student, you will have access to computers and computing resources (software, printers, scanners, and other equipment), which can be used to write papers, build spreadsheets, conduct research, explore the world through the Internet, or publish your work. Each lab consists of Windows-based PC workstations, at least one Mac, at least one multi-media workstation, scanners, zip drives, MS Office software, an Access station for users with special needs (WG-108 only), and a Linux station (CP-005 only). Computer Services and Academic Technologies also offer FREE technology workshops throughout the year. Visit their website for more information and upcoming workshops at www.tacoma.washington.edu/at/training/.

❑ Safety and Security Services—Dougan, Room 180, 253.692.4416:

UWT Safety and Security Services are staffed with campus security officers who are certified through the Western Association of Campus Law Enforcement Administration. The office provides security patrols for the campus, enforces state and University regulations and laws, investigates crimes committed on campus, coordinates the Campus Safety Escort Program, and provides other safety-related services. Lost and found items can be turned in to or claimed from this office as well. For free escort service, dial #300 or #333 from a campus phone. This service operates Mondays – Thursdays from 5:00 to 10:30 p.m., expect holidays, breaks and summer quarter.

❑ Student mailboxes:

Student mailboxes are located in WCG 206, a locked mailroom outside the Social Work Program suite. Social Work staff are available to give you access to your mailbox upon request. Mailboxes are organized alphabetically and by class standing (1st year and 2nd year). We advise you to check your mailbox frequently as we will place important notices, such as registration information, in your mailbox. Also, you can communicate with other students, faculty and staff in this manner. NOTE: Do not give out the Program address for any personal mail, as non-official mail [usually mail originating outside UWT] will be returned to sender.

❑ Copy Center—Mattress Factory Building, Room MAT-053, 253.692.5787:

The Copy Center has a NEW LOCATION in the Mattress Factory on the street level of Dolly Roberson Lane. Services available to students include copying/printing, cutting, binding, collating, and covers. Simple services, such as one-sided, copy-ready duplicating, require 15-20 minutes. Requests of 100 copies or more require a minimum of 24 hours. You can also email your copy requests to uwtcc@u.washington.edu.

❑ University Book Store (UBS), 1754 Pacific Avenue, 253.692.5784:

The University Book Store in Tacoma serves the needs of UWT students and the general public. The bookstore is stocked to handle all of your school supply needs, including textbooks, paper, notebooks, pens, pencils, software, Husky paraphernalia, and much, much more. The Tacoma UBS has textbook buy-back each quarter during finals week. For more information on the buy-back program, please talk to one of the helpful sales persons in the bookstore. UWT students are also eligible to receive a patronage refund from UBS. For more information visit www.bookstore.washington.edu.

❑ If you are not a WA state resident, consider establishing residency.

Visit www.washington.edu/students/reg/residency.html for information on WA State residency.

❑ Take a campus tour:

If you did not have an opportunity to take a campus tour during orientation, please contact the Office of Admissions Advising and Outreach at 253.692.4742 for upcoming tour dates.

❑ Visit the UWT Social Work web site: www.tacoma.washington.edu/social

Welcome Letter From the Dean and Director

We are pleased to welcome you to the University of Washington School of Social Work BASW Program in Tacoma. The School of Social Work is working collaboratively with the faculty of the Social Work Program at the University of Washington Tacoma (UWT) and the UWT Chancellor and Dean to provide the same quality of educational experience that exists in all School of Social Work program options. We are pleased to be engaged in this endeavor and to provide an opportunity for students in the south Puget Sound region to earn a BASW degree without having to travel to the Seattle campus.

During your time in the BASW Program, we will strive to prepare you to become an effective social work leader who will challenge injustice and promote a more humane society and whose actions will be guided by vision, compassion, knowledge and disciplined discovery, and deep respect for cultural diversity and building on human strengths.

You are preparing to enter the profession of social work at a time of tremendous need and challenge. Social workers are needed now more than ever if we are to solve pressing and complex problems in global society. Socioeconomic inequities are widening. We are seeing profound modifications in the delivery of social and health services. Dramatic demographic changes are occurring in the numbers of people of color, immigrants and refugees, and older people. We increasingly face the fear of terrorism and challenges to our civil liberties. Worldwide technological changes are altering the ways in which we communicate in an increasingly complex global economy.

You are joining a program where the faculty and staff are strongly committed to preparing you for the complex practice world of the 21st century. Our program affirms the social work tradition of social change and emphasizes the individual in interaction with the larger environment. We believe that in good social work practice, personal and social change are intertwined. Our curriculum aims to provide you with ways to link your daily efforts to meet human needs through interventions with individuals and families with the longer-term goals of empowerment and social and economic justice through macro-level interventions with groups, organizations, and communities.

You are entering a school community that seeks to celebrate the strengths and richness of diversity and to practice social justice in all interactions. Thus, each of us has a responsibility to contribute to creating a community that supports all its members...a community in which open communication, collaboration, compassion, respect, and caring bind us together.

We are a vibrant school with much to offer, and we invite you to make the most of every opportunity within this community to acquire the knowledge, skills, values, and the will to make the world a better place by being an effective and competent social worker. We are delighted that you have chosen to pursue social work at the University of Washington Tacoma.

Edwina S. Uehara, Ph.D.
Dean
School of Social Work
UW Seattle

Tom Diehm , Ph.D.
Interim Director
Social Work Program
UW Tacoma

Introduction

In *Social Work in the 21st Century*, David Austin notes that “social work today is a major profession. It includes intervention models that deal with individual and households, with communities, with organizations, and with social policy. As members of a major profession, social workers work in all types of communities, serving individuals and households from all economic levels, from all types of cultural and social backgrounds.” To prepare you for these responsibilities, the undergraduate program in social welfare combines classroom learning, ranging from lecture sessions to small-group projects, with 480 hours of field experience.

It is important to recognize that professional social work education is regulated through an accreditation process governed by the Council on Social Work Education (CSWE). The BASW program curriculum follows CSWE’s Educational Policy Standards, which are available on the web at: www.tacoma.washington.edu/social under “Resources”.

The BASW degree requirements include a liberal arts background. Consequently, students must satisfy the Admission Requirements for the University of Washington Tacoma (UWT).

The BASW Program Manual has been prepared to give you an overview of the Program (its policies and procedures) and to provide information which should help you

make some decisions along the way. The Social Work faculty and staff are dedicated to advising students academically and professionally, as well as providing updated, relevant course materials.

As noted in the Table of Contents, this program manual includes sections on:

- advising
- registration
- grading
- transfer students
- financial assistance
- other related academic information
- graduation requirements
- a checklist to track your degree progress
- UWT computer access information
- a guide to campus resources
- ways to get involved on campus
- Career Development Center services
- Standards of Student Conduct and Grievance Procedures
- Curriculum Policy Statement from the Council on Social Work Education.
- and MUCH more!

When there are questions or problems, please contact your program adviser, faculty adviser, practicum coordinator or staff in the Social Work office for assistance.

Mission and Goals

As members of the University of Washington School of Social Work, we commit ourselves to promoting social and economic justice for poor and oppressed populations and enhancing the quality of life for all. We strive to maximize human welfare through:

- *education of effective social work leaders, practitioners and educators who will challenge injustice and promote a more humane society, and whose actions will be guided by vision, compassion, knowledge and disciplined discovery, and deep respect for cultural diversity and human strengths;*
- *research that engenders understanding of complex social problems, illuminates human capacities for problem-solving, and promotes effective and timely social intervention; and*
- *public service that enhances the health, well-being, and empowerment of disadvantaged communities and populations at local, national, and international levels. We embrace our position of leadership in the field of social work and join in partnership with others in society committed to solving human problems in the twenty-first century.*

We embrace our position of leadership in the field of social work and join in partnership with others in society committed to solving social problems.

BASW Curriculum Goals

In addition to the goals it shares with the School as a whole, the UWT BASW Program identifies five over-arching goals:

- *To prepare entry-level baccalaureate social workers for generalist practice in a multicultural context that is rooted in knowledge and skills for understanding and solving complex social problems within the values of professional social work.*
- *To prepare generalist social workers who can be informed and effective leaders able to understand and take action to challenging injustice and promoting social and economic justice.*
- *To foster a comparative and critical examination of social welfare and social work history, policies, research, and practice interventions in the education of social work practitioners dedicated to public service that promotes a more humane society.*
- *To prepare for graduate education.*
- *To provide access to social work education to residents of the south Puget Sound Region.*

BASW Program

Curriculum Objectives

Keeping in mind the goals of the BASW program, graduates of the BASW program are expected to:

1. Apply entry-level social work practice skills to individuals, families, groups, communities, tribes, and organizations.
2. Demonstrate an ethical and just professional use of self and the ability to use supervision and consultation.
3. Practice effectively within agencies and delivery systems and identify, plan and pursue needed agency and system changes aimed at promoting social and economic justice.
4. Demonstrate knowledge of and commitment to social work values and ethics through effective social work practice.
5. Demonstrate understanding and appreciation for differences based on gender, ethnicity, race, religious creed, sexual orientation, class, and physical and developmental disabilities.
6. Identify the ways in which oppression, colonization, privilege, discrimination, and social and economic disadvantage contribute to complex human welfare problems.
7. Understand the strengths and empowerment perspectives in social work practice, policy, and research in order to promote social and economic justice.
8. Understand and describe the comparative history of social welfare and social work systems in the United States as well as the emergence of social work as a profession.
9. Understand the growing prevalence of economic inequality, the distribution of poverty and societal remedies to resolve these problems.
10. Analyze the impact of social policies on people (both clients and workers), agencies, communities, service systems, and nations including the American Indian and Alaska Tribal Nations.
11. Understand and critically apply theoretical frameworks to understand individual development and behavior across the lifespan and the interactions among individuals and between individuals and social systems (i.e., families, groups, organizations, tribes, and communities).
12. Demonstrate knowledge and skills in social work research methods used to develop and evaluate interventions and social service delivery systems.
13. Understand, use and promote evidence-based methods in generalist social work practice.
14. Use effective oral and written communication skills with a range of client populations, colleagues and members of the community.

APPROVED BY THE FACULTY:
11/2004

Degree Requirements

Overview

Course of Study

Students must complete the required BASW curriculum in sequence over a 2-year period. The BASW curriculum will consist of a 52-credit program comprised of three major areas: foundation courses, social work practice courses, and practicum combined with practicum seminars. In addition to these three areas, students will be required to complete 15 credits of Social Welfare approved electives.

Statistics is a required course for the BASW program; if the course has not been completed with a 2.0 (C grade) or better within the last five years, students must take it prior to TSOCWF 390.

A bachelor's or baccalaureate degree is earned upon the completion of at least 180 college quarter credits. These credits must include coursework in certain basic skills, the fulfillment of general education requirements, and completion of the degree in Social Welfare.

Academic credit is not given for previous work experience nor for life experience.

Exact credit requirements are determined when each student meets with the Academic Adviser after admission to the program. Some of the Social Welfare credits may also fulfill other distribution areas. An audit of past courses is done in order to determine remaining credits needed to graduate in each category.

Social Welfare students must satisfy University Admission Requirements, Social Welfare prerequisites and all Social Welfare program requirements prior to graduation.

For University Admission Requirements refer to the UWT Student Catalog online at: www.tacoma.washington.edu/catalog/.

Refer to the "Graduation Requirements" section of this manual for a copy of the Social Welfare Degree Requirements Checklist or contact the BAS W Program Adviser for more information.

Social Welfare Major Requirements

Sequencing

Social Welfare History and Policy:

TSOCWF 300, Historical Approaches to Social Welfare (3 credits), is taken in the first quarter of the major. It is a prerequisite for *TSOCWF 320, Contemporary Approaches to Social Welfare (3 credits)*, which is offered in the second quarter of the program.

Human Behavior and the Social Environment:

TSOCWF 402 - Human Behavior and Social Environment I (3 credits) and *TSOCWF 403 - Human Behavior and Social Environment II (3 credits)* are taken in the first and second quarters of the first year in the program.

Cultural Diversity and Social Justice:

TSOCWF 404 - Cultural Diversity and Social Justice (5 credits) is taken in the third quarter of the first year in the program.

Social Work Methods:

TSOCWF 310, Social Welfare Practice I (3 credits), is taken in the first quarter of the program; *TSOCWF 311, Social Welfare Practice II (3 credits)*, in the second quarter of the program; and *TSCOWF 312, Social Welfare Practice III (3 credits)*, in the third quarter of the program. These courses must be taken in sequence.

Research: *TSOCWF 390, Introduction to Social Welfare Research (5 credits)* is to be completed in Autumn Quarter of the second (senior) year in the major. A course in introductory statistics must be successfully completed (2.0 or above) prior to the beginning of *TSOCWF 390*. See the "Overview" section for additional information.

Practicum and Practicum Seminar: In the second (senior) year of the major, the

Practicum, TSOCWF 415 (4 credits each quarter, lasting three quarters) is taken. The Practicum requires a total of 480 hours in an assigned agency selected by the Social Work Program and under qualified supervision.

The *Practicum Seminar* course, *TSOCWF 405*, is taken concurrently with the Practicum. The seminars (three credits each quarter) along with the Practicum, span over three quarters during the second (senior) year of the program.

Social Welfare Required Electives: The major requires 15 credits of upper-division courses that are closely related to the field of Social Work and count as Social Welfare required electives. These courses may be taken at anytime during the program and may be taught in other disciplines, i.e. Nursing, Urban Studies, Interdisciplinary Arts and Sciences. See the "Approved Social Welfare Electives" section of this manual for a current list of approved electives.

Please note that the list is constantly updated as new courses are created on campus. For an updated list, please visit the Social Work website www.tacoma.washington.edu/social under "BASW Advising" or contact the Social Work office at 253.692.5820.

General Electives: The number of general electives required may vary depending on the students' prior coursework (i.e. the number transferrable credits applied toward the degree). These remaining credits of electives are referred to as "Free Electives" meaning you may take any course open to you at UWT that might peak your interest from any discipline.

Model Program of Study – 90 credits

To help students understand the sequencing of the Social Welfare curriculum, the following Model Program of Study (based on a 90 credit model) shows the typical progression for the degree. Students are expected to complete remaining degree requirements and deficiencies (such as Areas of Knowledge) and elective courses during the two-year program. Students are encouraged to use the “Quarterly Schedule Worksheet” on the following page to assist in planning the Program of Study, and to meet with their Program Adviser regularly to insure selection of appropriate elective courses that fulfill the graduation requirements.

All Social Welfare courses (*TSOCWF*) must be taken in sequence as noted below. Any deviation from the scheduled sequence of courses must be approved in writing by the Program Director.

JUNIOR YEAR (1ST YEAR)

(12)	(12)	(15)

*The number of general electives required may vary based on your total number of transfer credits. Consult with the BASW Program Adviser for more information.

**Approved Social Work electives and other general electives may be taken at times other than those designated above, schedule permitting.

***Statistics is a required course for the BASW program. If the course has not been completed with a 2.0 (C) grade or better within the past five years, students must take it prior to registering for TSOCWF 390. Statistics can be fulfilled within the BASW program with course TSOCWF 351. Consult with the BASW Program Adviser for more information.

Courses and Descriptions

Required Courses Within the Department

TSOCWF 300 Social Welfare: Historical Approaches (3)

This historical course stresses the origins and development of social welfare policy and programs, starting with the Elizabethan Poor Law of 1601 and ending with the Social Security Act of 1935. The persistence of poverty and the development of privately and publicly funded social welfare programs are central concerns in the course. The evolution of social work is included within this context.

This course is a prerequisite to TSOCWF 320.

TSOCWF 310 Social Welfare Practice I (3)

Purposes of the course are to provide a conceptual framework for social work practice with individuals, families, small groups; an introduction to the roles, tasks, and functions of the social welfare practitioner and to theories and methods of intervention; and to develop skills in problem assessment, intervention, termination, and evaluation.

No prerequisites.

TSOCWF 311 Social Welfare Practice II (3)

Introduction to the roles, tasks and functions of the social welfare practitioner and to theories and methods of intervention; a conceptual framework for social work practice with individuals, families and small groups; and an opportunity to develop skills in problem assessment, intervention, termination and evaluation.

Prerequisite: *TSOCWF 310*.

TSOCWF 312 Social Welfare Practice III (3)

This course is the third course in the practice sequence and focuses on macro systems in a diverse society using the generalist perspective. The implications of system resources and configurations for meeting human needs are considered. The role and

function of generalist social workers to understand and advocate for system development and change is emphasized.

Prerequisite: TSOCWF 311.

TSOCWF 320 Social Welfare: Contemporary Approaches (3)

This course emphasizes policy and program development in social welfare since 1935. Policy formulation as well as current policies regarding income maintenance proposals, emerging programs to treat specific social dysfunctioning (e.g., mental health services) and the reform attempts in contemporary society are course concerns.

Prerequisite: TSOCWF 300.

TSOCWF 390 Introduction to Social Welfare Research (5)

Introduction to the logic of the scientific method as applied to social work and social welfare practice, to the design and conduct of a research study, to data collection and summarization, and skill development in critical consumption of social welfare research. Computer lab utilized.

Prerequisites: Students are required to take a course in introductory statistics.

TSOCWF 402 Human Behavior & Social Environment I (3)

Focuses on person-in-the-environment for individuals and family development across the life span. Utilizes developmental and social systems perspectives in seeking to understand and influence human behavior across diverse backgrounds. Dynamics and processes of families, small groups, organizations and community systems are addressed.

TSOCWF 403 Human Behavior & Social Environment II (3)

Focuses on person-in-the-environment for small groups, organizations, community and society as systems. Utilizes developmental and social systems perspectives in seeking to understand and influence human behavior across diverse backgrounds.

Prerequisite: TSOCWF 402.

TSOCWF 404 Cultural Diversity and Justice (5)

The purpose of this course is to provide students with foundation knowledge necessary for generalist social work practice with those disadvantaged and oppressed populations who are underserved in public sector practice. It provides a forum for students to explore their own values, beliefs, and behaviors and how they may affect their future practice with people who are different. Students explore some of the critical issues in race, class, gender, sexuality, disability and other societal forces that affect human functioning. An important outcome is to understand how social workers can use knowledge of diverse groups to build alliances and develop effective working relations.

TSOCWF 405 Practicum Seminar (3; maximum 9)

This seminar meets weekly. The primary purpose is to enhance student integration of social work practicum experiences with prior and concurrent course work in the social sciences, social work, and research. Methodology includes discussion, class presentations, and simulations of practice situations which combine knowledge and skill utilization. Student logs provide a basis for individual goal identification and achievement.

Taken concurrently with Practicum (TSOCWF 415). Students must complete 9 credits.

Prerequisite: TSOCWF 310-311-312.

TSOCWF 415 Practicum (4; maximum 12)

Practicum incorporates and builds upon content and skills acquired in the required curriculum for Social Welfare. In a selected community agency the student is provided the opportunity to develop social work knowledge and skills under the supervision of an experienced social worker. Emphasis is placed on development of the knowledge, perspectives and skills needed for practice with individuals, families, groups, organizations and communities. In addition, the development of culturally competent practice and planned social change skills are an integral part of the Practicum and are seen as critical for the effective delivery of social services.

After consultation with a Practicum Coordinator during Spring Quarter of the first year, students are referred by the Practicum Coordinator to selected social service agencies. During autumn quarter of the second (senior) year, students enter the agency to accept social service assignments under the supervision of a qualified Practicum Instructor. A total of 480 clock hours are required over 3 quarters (12-15 hours per week).

Prerequisite: TSOCWF 310-311-312. CR/NC only.

NOTE: If you are employed full-time, it may be necessary to reduce or make changes in your work schedule or other commitments to complete your practicum requirements.

Social Welfare Elective Courses
(may fulfill SW Approved Electives)

TSOCWF 350 Biopsychosocial Human Services (3) I & S, NW & W

Examination of human life at the cellular level contextualized through the social environment. Emphasis upon cells, systems and individual development and functioning. Coverage of relevant theoretical frameworks commonly used in biological sciences, human services, and social work will be used to address biological issues with clients in social and community contexts. Open to nonmajors.

TSOCWF 351 Applied Statistics for Social and Human Services (5) NW & QSR

Application of statistical methods for use in social and human services. Examines purpose and use of social statistics to include analyzing the relationships between variables as a tool for conducting research; central tendencies and dispersion; probability; descriptive statistics; statistical inference and hypothesis testing; and bivariate analysis. Open to nonmajors.

TSOCWF 352 Women in the Criminal Justice System (5) I & S

Explores the history, societal impact, and future of women within the US criminal justice system. Focuses on factors, which contribute

to female incarceration including poverty, physical and sexual victimization, chemical dependency and major mental illness. Gender-responsive strategies designed for advocacy and empowerment address major economic and social justice issues. Open to nonmajors.

TSOCWF 353 Mental Illness and Recovery (5) I&S

Provides an overview of persistent and disabling mental illness among adults. Combines classroom and experimental learning. Students learn directly from service providers and consumers the challenges of living with serious mental illness and within health and social welfare system constraints. *Recommended: Introductory psychology.*

TSOCWF 354 Sexual Orientation and Gender Identity (5) I&S

This course focuses on legal and sociopolitical topics related to sexual orientation and gender identity using social justice and empowerment perspectives. The framing of such topics at the local, national, and global level is emphasized, as is the intersectionality of sexual and gender identity with other aspects of human diversity. Open to nonmajors.

TSOCWF 420 Interpersonal Violence and Society (5) I & S

Explores interpersonal violence from both sociological and psychological frameworks. Understanding of the nature, dynamics and effects of interpersonal violence and the threads that connect personal and community violence. Will evaluate how best to prevent and decrease the amount of violence in society. Open to non-majors.

TSOCWF 421 Cross-Cultural Grieving (5) I&S

Examines spiritual, psychosocial, physical, and behavioral impacts of major loss on persons, families, and communities as it occurs in diverse North American ethnic and cultural communities. Exploration of death, dying, major family separations, divorce and refugee/immigration changes as it relates to grief, loss and mourning. Open to non-majors.

TSOCWF 422 Aging in American Society (5) I & S

Covers physical and psychological processes of aging. Social aspects of aging related to family roles, cultural, social support and use of health and social services will be included. Home and community based services and how those services may need to change in the 21st century will be reviewed. Open to non-majors.

TSOCWF 423 Risk and Ethics in Human Enterprises (5cr, I&S)

Values, ethics, risk management, and the law are explored in depth as they relate to the provision of human services programs, and other professional disciplines. Topics include: conflict of interest, duty of care, duty to warn, privacy and confidentiality, risk analysis, and ethical decision making. Open to nonmajors.

TSOCWF 424 Information Technology and Human Service Practice (5) I&S

In depth exploration of the impact of information technology on human service agencies and their consumers. Topics include: changing human service practice, human service websites, online therapy and self-help information, and technology-based social problems. Involves experiential learning.

TSOCWF 450 International Comparisons of Current Issues (12) I&S

Provides an international comparison of social policy and social service delivery systems. In addition to a three-week intensive field component, students will complete relevant readings and conduct an independent research project on a relevant topic negotiated with the instructor. Open to non-majors.

Independent Study Courses

Independent study courses are general elective courses that are set up between individual students and faculty. At this time, they include *TSOCWF 409 and TSOCWF 490*.

TSOCWF 409 Readings in Social Welfare (1-5 variable credits, max 15) Student-originated, individually contracted projects on topics of interest in social welfare/ social work. This course allows the student to pursue special areas of interest in greater depth or to study subjects not covered elsewhere in the curriculum.

TSOCWF 490 Research in Social Welfare (1-3 variable credits, max 10) Individual work with faculty member to assist with current research project(s). Students trained and supervised in some or all of the following research tasks: literature review, data analysis, record-keeping, interviewing, report writing, data entry and coding, data collection, and other tasks commonly found in research problems in social welfare.

The Independent Study courses require that students adhere to the following instructions for submitting a contract plan for approval.

Instructions for Approval Process:

1. Determine area of interest for your independent study.
2. Contact Social Work Program faculty member to discuss scope of your proposal **at least six weeks prior** to the start of the following quarter.
3. If the Social Work Program faculty agrees to sponsor you, then you may begin working on your formal written proposal.
4. Submit formal written proposal to faculty sponsor for approval.
5. If approved, faculty sponsor will send an email to the Program Adviser.

6. Student picks up Course Summary and Contract Plan form from Social Work Program Office. Attach proposal or fill out form as appropriate.
7. Once form is complete with faculty sponsor and student signatures, provide a copy of the form to the Program Adviser.
8. After step #7, an entry code will be made available to the student for registration purposes. (Allow 24 hrs for entry code.) A copy will be returned to the student with an entry code. The original form will be returned to the faculty sponsor until the grade is issued.
9. Faculty sponsor must return original Course Summary and Contract Plan form with attached proposal to the Program Adviser complete with final grade and faculty signature after the quarter has ended. The original form and proposal will be placed in the student's permanent file.

Independent Study forms can be found on the Social Work website at:

www.tacoma.washington.edu/social under "BASW Advising".

Approved Social Welfare Electives

The following courses are offered at UWT and have been approved as electives for the Social Welfare major. Please refer to the online UWT Student Catalog or Time Schedule for course descriptions. Additional courses not listed may be used to satisfy the social welfare elective requirements, as approved by the Social Work Program Director. *Please note that these courses may not be offered each quarter. Please check with the originating Program Office if you are interested in finding out when a particular class will be available.*

INTERDISCIPLINARY ARTS & SCIENCES (IAS)

Communication (Prefix: TCOM)

- TCOM 444 GENDER, ETHNICITY, CLASS AND THE MEDIA
- TCOM 458 CHILDREN AND TELEVISION

Communities and Social Institutions (Prefixes: TCSIG, TCSIIN, TCSIUS)

- TURB 475 COMMUNITY AND ECONOMY

GLOBAL HONORS (NOTE: You must be admitted to the Global Honors Programs to enroll in these courses)

- TGH 301 GLOBAL INTERACTIONS
- TGH 303 GLOBAL CHALLENGES

* a maximum of 5 credits will count toward Social Welfare approved elective requirement.

** registration period II only.

UPDATED 9/17/07

Other Degree Requirements

Social Welfare

In addition to fulfilling all University Admission Requirements, Social Welfare prerequisites and all Social Welfare major requirements, by the time of graduation, a student:

- Must have at least a 2.50 GPA in required Social Welfare classes.
- Must complete at least 67 upper division credits.

University requirements

- Complete a minimum of 180 credits, at least 45 of which are taken in residence at UWT.
- A student must complete 45 of his or her last 60 credits as a matriculated student in residence at UWT. To seek an exception to this requirement, students should contact the Program Adviser, who will submit the request to the UWT Admissions, Academic Standards and Graduation Committee. If an exception is granted, the student still must present a minimum of 45 credits in residence as a matriculated student to be awarded a UW degree.
- Must remove any admission deficiencies.

- Must have completed all University Admission Requirements and social welfare prerequisites.
- Must have at least a 2.0 UWT GPA at graduation.

Two Degrees (or Two Majors)

Second baccalaureate degree

A second baccalaureate degree may be granted, but a student must earn a minimum of 45 credits beyond the number required for the first degree. These credits usually must be earned in residence, with the granting of exceptions to the residency rule being the responsibility of the college, school or campus awarding the degree. The student must achieve no less than a 2.0 cumulative grade-point average in the credits required for the second degree. Students completing a second baccalaureate degree are not registered in the Graduate School, but in the academic division of the University with jurisdiction over the degree sought.

Degrees with two majors

The student's application for a baccalaureate degree with two majors must show both majors and be approved by the advisers of both programs. Requirements of both majors must be met. Both majors appear on the transcript.

Two baccalaureate degrees concurrently

Two baccalaureate degrees, associated with different majors, may be granted at the same time, but the total number of academic credits

earned must reach a minimum of 45 credits in excess of the number required for the first baccalaureate degree.

Minors

Minors are optional. A student may complete one or more, or none at all.

A minor is an optional program of study built around a particular subject or skill, for example, nonprofit management or museum studies.

Minors offer a way to explore a department or interdisciplinary theme with less commitment of time than a major. Where a major requires at least 50 credits, most minors require 25 – 35 credits.

Minors can be helpful in two ways: You can focus your degree by choosing a minor related to your major or you can broaden your degree by taking an unrelated but complementary minor (for example, a business student taking a computing minor). Your minor will also show up on your transcripts.

UW Tacoma currently offers several undergraduate minors in:

- Applied Computing
- Asian Studies
- Computing & Software Systems
- Education
- Environmental Studies
- Health and Society
- Hispanic Studies
- Human Rights
- Museum Studies
- Nonprofit Management
- Public History
- Urban Studies

Declaring a minor

A student may declare a minor any time after you have earned 90 credits. There are

no admission requirements for minors. If you declare a minor and later decide to major in that field, however, you must apply and meet that major's regular admission requirements.

Grades

A minimum 2.0 grade point average is required in the courses taken to complete a minor. A department may require a minimum 2.0 grade in each course taken to complete a minor, but if no such minimum is specified, any passing grades (0.7 or higher) are acceptable. Courses may NOT be taken on the satisfactory/not satisfactory (S/NS) grading option.

Overlaps allowed

Courses in the minor, if applicable, may also count toward any other requirement: English composition, foreign language, Q/SR, additional writing, Areas of Knowledge, and the major.

A student may not, however, major and minor in the same department.

For more information on adding a minor, contact your BASW Adviser or visit: www.tacoma.washington.edu/students/declaring.cfm.

Student Advising

To meet the advisement needs of our students, three sources of advising is

available: Faculty Advisers, the Practicum Coordinator, and the Program Adviser.

Faculty Advisers

Faculty Advisers are best used when students need counseling on educational and professional career choices or in circumstances when students experience personal difficulties that are affecting their progress in the program. All students are randomly assigned a Faculty Adviser whom they should meet with on a periodic basis. In addition to their assigned faculty adviser, students can turn to any faculty member regarding specific issues. For instance, you may choose to meet with a faculty who is doing research or practice in an area of

common interest. Such “informal advising” is common and highly encouraged.

As faculty have a range of teaching, research and community service responsibilities, we encourage you to set up a time to meet with your faculty adviser. To facilitate contact please make a note of their room number, telephone number or email address. If you would like to change to another faculty adviser, contact the BASW Program Adviser for more information.

Office of the Practicum

The Practicum Coordinator, in consultation with the Director of Practicum at the School of Social Work, is responsible for the management of the practicum program, advisement and approval of students for practicum placements, liaison and problem-

solving with agencies if difficulties arise in the placements, and assignment of grades for the practicum courses. If you have practicum questions, please call the BASW Practicum Coordinator, Tersa Holt, at 253.692.5826.

Student Services

The BASW Program Adviser can assist you with information on registration, course scheduling, graduation requirements and connect you to various campus resources.

The Program Adviser is located in WCG 203H, located inside the Social Work Office. Students are encouraged to meet with the Program Adviser at least once a quarter for course planning and to apply to graduate. The Program Adviser also maintains all student records.

If you have any questions regarding your records, registration, or need clarification on BASW Program or University policies, requirements and/or procedures, please call 253.692.4564.

A list of other student services provided by the Office of Enrollment Services and Student Affairs is listed on the last page of this manual. Contact 253.692.4400 for more information.

Registration and Related Academic Information

Registration Procedures

Registration

Prior to the University's quarterly registration period, students may access registration information online via MyUW.

The online Time Schedule and Registration Guide provides the most current course offerings along with meeting days and times, and the schedule line number (SLN) for all courses, including Social Welfare courses.

Online Registration:

Registration is available online via MyUW under "Student Personal Services" (www.myuw.washington.edu).

Note: For online registration, students will need to use their UW NetID and password to access their MyUW account.

Students register for classes using the 5-digit schedule line number (SLN). For some courses, the SLN and a 5-digit entry code is required. See the "notes" section for each course to determine if specific registration restrictions apply.

If you encounter registration problems, or have questions regarding the registration process, please contact the BASW Program Adviser. Students with disabilities are also asked to contact the Program Adviser for registration assistance (if needed).

For problems with practicum courses and credits, please contact the Practicum Coordinator.

Use the online Registration Guide for information and deadlines such as when to register, when registration periods begin and end, when tuition is due, holidays and campus closures, final exam schedules and

other important information. **It is your responsibility to adhere to the important deadlines noted in the Registration Guide.**

The quarterly Time Schedule and Registration Guide is available online at: tacoma.washington.edu/enrollmentservices/

Adding and Dropping Courses

Adding/dropping a course can be done officially via MyUW or by submitting a drop card in the UWT Office of the Registrar. Students who drop a course unofficially (only through the instructor or adviser, for example) will be given a grade of 0.0.

Students receiving or applying for financial aid should check with the financial aid counselor before dropping a class because it may affect financial aid eligibility. Students should be aware that dropping a course may affect their student account.

The following is a summary of relevant times for adding/dropping courses during a quarter:

- **Week 1 of the quarter:** During the first week of the quarter, you may add and drop classes for any reason. No notation will be made on your transcript, *except notice of withdrawal from the University if all courses are dropped, in which case a complete withdrawal date is recorded on the transcript.*
- **Week 2 - 7:** Any courses added or dropped after the first week of the quarter are subject to a \$20 fee. If you drop *all* classes after the first week, you will be charged one-half of your quarterly tuition, based on the number of credits for which you were registered at the end of the first week. *A course drop made during the third through the seventh*

week of the quarter will be recorded on the student's transcript with a "W" grade and a number designating the week of the quarter in which the course was dropped.

Unrestricted Drop Period: *Open during the second week of the quarter. Courses dropped during this period do not appear on the academic transcript.*

Annual Drop: *Each student will be permitted to drop only one course each academic year (Autumn through Summer quarters) from the third week through the end of the seventh week of the quarter.*

- **After Week 7:** No official withdrawal will be permitted after the seventh week of the quarter except under extremely unusual circumstances. Please refer to the UWT Student Catalog under "Hardship Withdrawl."
- **Summer Quarter:** During Summer Quarter, the timeline for dropping a course is abbreviated due to the shortened session. Please consult the Summer Quarter Registration Guide for specific dates.

Tuition Deadline

Students incur an obligation to pay tuition and fees in U.S. dollars when they register. Students receive e-mail notification once tuition charges are available on MyUW. Payment in full of tuition is due by Friday of the third week of the quarter. Nonpayment of tuition and fees by the due date results in a

charge of \$50 for balances of \$50 to \$250 and \$120 for balances in excess of \$250. Students with an overdue balance will not be allowed to register for the next quarter.

Options for tuition payment

Plan 1: Tuition in Full

Payment by check or money order may be made to the UWT Cashier or mailed directly to the UW Student Accounts Office, Campus Box 355870, Seattle, WA 98195. Credit card payments may be made online through MyUW. There is a convenience charge assessed when using this option. The amount in full is due by Friday of the third week of the quarter. Tuition may be paid automatically out of the financial aid award or by using emergency loans.

Plan 2: Tuition Installment Plan

Students must enroll in this option each quarter with the UWT Cashier during the first week of the quarter. One third of the tuition plus a \$10 service charge is due by the first Friday of the quarter. The remaining balance of tuition is due in two equal payments on the third and fifth Fridays of the quarter. To qualify for the installment plan all payments must be made on time. Payments must be made to the UWT Cashier.

NOTE: *Your student number must be specified on all payments.*

Transfer Credits

A Transfer Evaluation Summary is completed for students seeking to transfer. The Office of Enrollment Services evaluates all two-year or four-year credits for applicability to the University Admission Requirements and program prerequisites. In regard to the Social Welfare curriculum, courses are evaluated for transfer credit by the Social Work Program

Adviser and/or Director. Final approvals are made by the Program Director. The Program Director may approve substitutions to required social welfare courses only after a student makes a request and provides a copy of the relevant course syllabi. Please note that students seeking to transfer courses to meet Social Welfare core curriculum requirements must

have completed the course(s) at a Council on Social Work Education accredited Social Work

Program. For more information, please contact the Program Adviser.

Grading System

The University of Washington Tacoma uses a numerical grading system. Instructors may report grades from 4.0 to 0.7 in 0.1 increments and the grade 0.0. The number 0.0 is assigned for failing work or unofficial withdrawal. Grades in the range 0.6 to 0.1 may not be assigned. Grades reported in this range are converted by the Registrar's Office to 0.0. Numerical grades may be considered equivalent to letter grades as follows:

Numeric Grade-point Equiv.	Letter Grade	Points	Numeric Grade-point Equiv.	Letter Grade	Points
4.0	A	100-99	2.2		72
3.9		98-97	2.1	C	71
3.8	A-	96-95	2.0		70
3.7		94-93	1.9		69
3.6		92-91	1.8	C-	68
3.5		90-89	1.7		67
3.4	B+	88-87	1.6		66
3.3		86-85	1.5		65
3.2		84-83	1.4	D+	64
3.1	B	82-81	1.3		63

			*lowest passing grade		

UWT Social Work faculty have agreed to use the point ranges designated on the grading scale above for all BASW classes.

The **only** courses students may take on a Satisfactory/Non-Satisfactory basis are general elective courses. Students may select the S/NS grading option through the seventh week of each quarter by completing the transaction on web registration via MyUW.

Some courses, such as TSOCWF 415 *Practicum*, are graded on a Credit/No Credit (CR/NC) basis.

Additional information on grades and scholarship rules may be obtained from the Office of Enrollment Services.

The following letter grades also may be used:

N: No grade. Used only for hyphenated courses (courses not completed in one quarter).

I: Incomplete. An Incomplete is given only when the student has been in attendance and has done satisfactory work until within two weeks of the end of the quarter and has furnished proof satisfactory to the instructor that the work cannot be completed because of illness or other circumstances beyond the student's control. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. The student should never reregister for the course as a means of removing the Incomplete. An Incomplete grade not made up by the end of the next quarter is converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. The original Incomplete grade is not removed from the permanent record.

An instructor may approve an extension of the Incomplete removal deadline by contacting the UWT Registrar no later than the last day of the quarter following the quarter in which the Incomplete grade was assigned. Extensions, which may be granted for up to three additional quarters, must be received before the Incomplete has been converted into a failing grade. In no case can an Incomplete received by an undergraduate be converted to a passing grade after a lapse of one year.

S: Satisfactory grade for courses taken on a satisfactory/not satisfactory basis.

An S grade is automatically converted from a numerical grade of 2.0 or above for undergraduates. The grade S may not be assigned directly by the instructor, but is a grade conversion by the Office of the Registrar.

NS: Not-satisfactory grade for courses taken on a satisfactory/not satisfactory basis. A grade less than 2.0 for undergraduates is converted to NS. NS is not included in GPA calculations. No credit is awarded for courses in which an NS grade is received.

CR: Credit awarded in a course offered on a credit/no credit basis. The minimum performance level required for a CR grade is determined, and the grade is awarded directly, by the instructor. CR is not computed in GPA calculations.

NC: Credit not awarded in a course offered on a credit/no credit basis only. The grade is awarded directly by the instructor and is not included in GPA calculations.

W: Official withdrawal or drop from a course from the third through the seventh week of the quarter for undergraduates. A number designating the week of the quarter is recorded with the W when a course is dropped. It is not computed in GPA calculations.

HW: Grade assigned when an undergraduate is allowed a hardship withdrawal from a course after the seventh week of the quarter. It is not computed in GPA calculations.

Non-Decimal Grading Options

Credit/No Credit-Only as a Grading Option

With appropriate departmental review and approval, a course may be offered on a credit/no credit-only basis. The standard for granting credit in credit/no credit courses is

the demonstration of competence in meeting the course objectives.

Satisfactory/Not Satisfactory Grading Option

Certain students are eligible to choose that a limited number of their courses be graded satisfactory/not satisfactory rather than with regular numerical grades. Any student who wishes to register for a course on a satisfactory/not-satisfactory basis should check first with his or her adviser to determine restrictions and eligibility, because colleges and departments vary in their rules concerning this grading option. In no case is a student allowed to register for more than 6 credits (or for one course, if that course is offered for more than 6 credits) on a satisfactory/not-satisfactory basis in a given quarter. No more than 25 satisfactory/not-satisfactory credits may be applied to a four-year undergraduate degree. Such courses may not be used to satisfy University, college, or departmental course requirements (i.e., **may be applied only to the elective component of a degree**).

Students may switch to or from satisfactory/not-satisfactory grading for a particular course through the seventh week of the quarter (the \$20 late change fee still applies). Only students in good academic standing (i.e., not on academic warning or probation) are eligible for the S/ NS grading option. Veterans receiving benefits should check with the Office of Special Services regarding nontraditional grading options.

It should be noted that the possibility of future objective evaluation of the student's total academic record is reduced by the extent to which the record includes course work that is evaluated by a grading system other than the numerical system. A student should be aware that he or she may jeopardize future educational opportunities, particularly for graduate or post baccalaureate study, when other systems of performance evaluation are used.

Grade-Point Average (GPA)

The University's cumulative GPA is based solely on courses taken in residence at the University; this includes some, but not all, courses taken through UW Extension. The UW transcript also reflects grades for UW Extension course work that is not residence credit, and the grades for credit by examination. These latter grades do not affect the University cumulative GPA.

Computation of GPA

The GPA for graduation is computed by dividing the total cumulative grade points by the total graded credits attempted for courses taken in residence at the University. Grade points are calculated by multiplying the number of credits by the numeric value of the grade for each course. The sum of the grade points is then divided by the total graded credits attempted. Courses elected on an S/NS basis are counted as follows: Satisfactory grades are printed on the permanent record as an S and do not count in the quarterly or cumulative GPA, but they do count as credits earned toward graduation. Not-satisfactory grades, NS, do not count in the quarterly and cumulative GPA and do not count as credits earned toward graduation.

The total graded credits attempted, not the credits earned toward graduation, are used in computing the GPA.

Repeating Courses

With the approval of the academic department offering the course, an undergraduate may repeat a course once. Both the original grade and the second grade are computed in the GPA but credit is allowed only once. Veterans receiving benefits must receive approval from the veteran's coordinator in the Office of Student Affairs before repeating a course.

Grading Procedures

Change of Grade

Except in case of error, no instructor may change a grade that he or she has turned in to the Registrar. A student who finds administrative omissions or errors in a grade report must make application to the Registrar for a review not later than the last day of the student's next quarter in residence, but in no case after a lapse of two years. Grades used to meet graduation requirements cannot be changed after the degree has been granted. Time spent in military service is not counted as part of the two-year limitation. Students are not automatically notified of grade changes posted after the first of the quarter.

Scholarship

Policy on Satisfactory Progress and Low Scholarship in the Social Welfare Program

In order to maintain satisfactory progress in the Social Welfare program, an admitted BASW student must meet the following four criteria:

- 1. Maintain a 2.5 cumulative GPA in required Social Welfare courses and a 2.0 cumulative UWT GPA.**

A student whose Social Welfare cumulative GPA falls below a 2.5 at the end of any quarter will be placed on academic probation.

Once on departmental probation, the student must contract with the Social Work Program Director to formulate an action plan for improving his or her GPA and attain at least a 2.75 for each succeeding quarter until the Social Welfare GPA is raised to 2.5. Students who continue on

probation will be reviewed by the Director and may be suspended from the program for low scholarship.

A student is removed from probation at the end of the quarter in which a Social Welfare GPA of 2.5 or better is reached and the UWT cumulative GPA of 2.0 or better is reached, and any conditions for reinstatement and satisfactory progress have been met.

2. Earn a minimum 2.0 grade or Credit (in courses taken C/NC) in each required Social Welfare course.

Required Social Welfare courses are TSOCWF 300, 310, 311, 312, 320, 390, 402, 403, 404, 405, and 415.

A student who earns less than a 2.0 in any required Social Welfare course will be placed on academic probation for one or more quarters. A student placed on probation may be asked to retake a required course during the following year. This may delay the student's practicum by one year.

With the approval of the program, a student may repeat a course once. According to UW policy, if a departmental course is retaken, the grades of the two courses are averaged and credit for the course will be given only once. Veterans receiving benefits must receive approval from the veteran's coordinator in the Office of Enrollment Services before a course is repeated.

3. Satisfactorily complete the first-year required courses before proceeding into the practicum and practicum seminar. (Social Welfare students are guaranteed access into first- and second-year TSOCWF required courses.)

In order to begin the practicum (TSOCWF 415), the student's TSOCWF 311 instructor must recommend that the student is ready for placement.

4. Complete the program within four years after admission.

A student who does not complete the program within four years of admission will be removed from the program and placed in pre-major status in General Education.

A student who begins the program and then withdraws from UWT for more than one year will have to re-apply to the program to be admitted. If re-admitted, the student must meet with the Program Adviser to prepare a revised program of studies. The Adviser (in consultation with the Director) will determine which courses may or may not be applicable to the current curriculum and which courses must be completed for the degree.

Notes:

1. Exceptions to the satisfactory progress and low scholarship policy or reinstatement to the program must be approved in writing by the Social Work Program Director.
2. The Program Director may consult with the Social Work Review Committee on decisions for suspension from the Social Work Program based on a student's failure to meet the criteria listed under "Academic Performance and Conduct Which May Result in a Review and Possible Dismissal from the Social Work Program".

University of Washington Policy on Low Scholarship

Academic Warning

An undergraduate student whose GPA falls below 2.0 in his or her first quarter at the University receives an academic warning. If a cumulative GPA of at least 2.0 for courses earned in residence at the University is not achieved by the end of the next quarter, he or she is placed on academic probation.

Probation and Dismissal for Low Scholarship

An undergraduate student is placed on academic probation at the end of any quarter (except for the first quarter at the University, when an academic warning is issued) in which his or her cumulative GPA falls below 2.0. Once on probation, the student must attain at least a 2.5 for each succeeding quarter's work until the cumulative grade-point average is raised to a 2.0, or the student is dropped for low scholarship. A student may also be placed on probation or dismissed for academic cheating or plagiarism. See the "Standards of Conduct" section for more details.

Reinstatement

A student who has been dropped under low-scholarship rules is readmitted to the University only at the discretion of the UWT Admissions, Academic Standards and Graduation Committee. A student readmitted after being dropped under these rules reenters on academic probation. The student's GPA is the same as when dropped from the University, and the student may not use grades from other colleges or universities to raise his or her UW GPA. A readmitted student is dropped if he or she fails to attain either a 2.5 GPA for the following quarter's work or a cumulative UW GPA of 2.0 at the end of that quarter. The student is removed from probation at the end of the quarter in which a cumulative GPA of 2.0 or better is reached.

Senior in Final Quarter

A senior who has completed the required number of credits for graduation, but whose work in what would normally be his or her final quarter places him or her on probation, does not receive a degree until removed from probation. A senior who has completed the required number of credits for graduation, but whose work in his or her last quarter results in his or her being dropped for low scholarship, does not receive a degree until readmitted and removed from probation.

Dean's List

Quarterly Dean's List

The quarterly Dean's List includes the names of matriculated undergraduate students who have attained a quarterly GPA of 3.50 in the final grades for at least 12 graded credits. Appropriate high-scholarship entries are made on the student's permanent academic record.

Annual Dean's List

The annual Dean's List high scholarship award is recorded on the academic transcript of students who have achieved the following:

A quarterly GPA of 3.50 in 12 or more numerically graded credits each quarter for three quarters of the academic year (summer, autumn, winter, spring).

Students enrolled for four quarters of the academic year (summer through spring) must satisfy the conditions outlined above and attain a quarterly GPA of 3.50 or better in the fourth quarter, if enrolled for 10 or more credits.

Students who are on the annual Dean's List receive a certificate and a letter of congratulations from the UWT Chancellor.

Baccalaureate Honors

Baccalaureate honors (summa cum laude, magna cum laude, cum laude) are awarded only to recipients of a first baccalaureate degree. These honors are earned by those students who have completed no fewer than 90 residence credits at this institution. At least 60 of the 90 credits must have been acquired on a graded basis.

The University's Honors Committee determines annually the grade-point requirement for each baccalaureate honor. In recent years, approximately ten percent of the students have been awarded baccalaureate honors. Credits earned by correspondence courses are not counted toward honors eligibility.

Faculty Honors

At the University of Washington, Tacoma, faculty honors are awarded to those students receiving a baccalaureate degree, whose GPA is in the upper 10 percent of their program and who have earned between 43 and 89 graded credits at the UW. Since the BASW Program is a new program, the GPA for faculty honors will be set at a later date.

Honorary Societies

In addition to the honors discussed above, students with distinguished academic records may participate in the honorary societies as described below.

Golden Key National Honor Society. A national, non-profit academic honors organization founded in 1977 for the purpose of recognizing and encouraging scholastic achievement among students from all academic fields. Membership is by invitation only.

Phi Alpha. A national honor society for social work students, founded in 1960, Phi Alpha's purpose is to provide a closer bond among students of social work and promote humanitarian goals and ideals. Phi Alpha fosters high standards of education for social workers and invites into membership those who have attained excellence in scholarship and achievement in social work. For more information on the Xi Pi Chapter at UWT visit www.tacoma.washington.edu/social under "Resources for BASW Students".

Additional information on honorary societies may be obtained from academic advisers and the respective campus representatives.

Withdrawal from the University

If you interrupt your registration for an undetermined period of time, you are considered to be withdrawn. A student admitted to the BASW program must formally request a leave if he or she wishes to withdraw from the program and return later (refer to section 4 of the Policy on Satisfactory Progress and Low Scholarship described earlier in this manual).

Students who do not gain prior approval for a leave, but wish later to resume their studies, must submit a written request seeking re-admission, meet with the Program Director and reapply to UWT. The Director will determine re-admissability or program of study revisions that may be needed by the student to continue in the program. For timelines, fees and tuition forfeiture on withdrawing, a student should consult the quarterly UWT Registration Guide.

Financial Assistance

Students wanting information on their financial aid can check their accounts during the year through MyUW Tuition Statement..

The BASW Program requires all students who wish to be considered for any type of financial assistance to complete the Free Application for Federal Student Aid (FAFSA). The closing date to submit a completed FAFSA is typically February 15. However, students should contact the Office of Enrollment Services at 253.692.4400 for the most current and accurate information since deadlines are subject to change. The Office of Enrollment Services has the FAFSA forms available, and the financial aid staff can assist students with work-study questions, student loan information, and emergency loans.

UWT scholarships are also posted online at: www.tacoma.washington.edu/enrollment/services/admissions/finaid/scholarships/

Students are encouraged to seek these services and information, which can make the financial aspects of attending the BASW program less burdensome.

Summer financial aid recipients will need to fill out the UW Supplemental Financial Aid Form prior to the beginning of summer quarter in addition to completing the FAFSA for that academic year. **If you plan to receive financial aid during summer quarter, you must complete the supplemental application.** Supplemental Financial Aid forms are usually available in late spring.

Contact the Office of Enrollment Services at 253-682-4400 for more information on the Tuition Payment Plan available each quarter to students not receiving Financial Aid.

Inclement Weather Policy

In the event of inclement weather, please note the following steps for determining whether the campus is open, if your class will be held as scheduled, and/or the handling of assignments:

1. **CALL THE SNOW #:** 253-383-INFO. This number will inform you on whether the campus has been closed.
2. **CALL YOUR PROFESSOR'S OFFICE NUMBER.** This number will inform you on whether the class will be held or not, and/or the status of pending assignments. Individual professors will determine how

final exams, papers, etc. will be submitted.

3. **CALL THE PROGRAM OFFICE NUMBER:** 253.692.5820. This number is to be used only after trying the first two numbers, or if you are unable to ascertain the status of whether your class(es) will be held, and/or you have a part-time instructor who does not have an office phone or contact number.

NOTE: It is important to remember that safety should always be considered when deciding whether it is advisable to attend class(es) or not during periods of inclement weather.

Children In Class Policy

While we recognize that many students have childcare needs, we ask that you not bring children to class. Generally, children tend to be disruptive, and often times the subject matter being discussed is not appropriate for them to hear. If you find yourself in a situation where you have no choice but to

bring a child or children with you, **you must seek permission from your course instructor prior to class.** If permission is granted, you are responsible for seeing that the child or children are not disruptive. Thank you.

Your Address - Please Keep It Current

It is critical that you keep your local address and telephone number updated with the Program **AND** the University (Office of the Registrar, located in Enrollment Services, GWP-102). Without a current local address and telephone number, you may not receive periodic mailings or be contacted by the administration, faculty, or other campus staff.

You can update your address and telephone number with the University via MyUW, or by contacting Enrollment Services at 253.692.4400. In addition, please contact the Social Work Program Office at 253.692.5820 or email tsocial@u.washington.edu with any changes to so that we may update our internal records.

Release of Information from Student Files

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your educational records. However, the following information is considered public or “directory” information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, major field of studies, dates of attendance, degrees and awards received, full-or part-time enrollment status, and educational institutions attended.

If you do not wish to authorize directory release and do not want your directory information to appear in the published or electronic Student Directory, you must restrict access through MyUW. No information will be released on students that have restricted release of directory information including degrees awarded and dates of attendance. If you later wish to change your authorization and allow release, you must go to the Office of Enrollment Services located in GWP-102 and present photo identification.

The program will routinely release the information noted above if you have not restricted your release through the Registrar.

If you need a hardcopy of your transcript in the future, please order it directly from the Office of Enrollment Services (GWP-102).

If you want prospective employers or schools to have any of the information noted earlier, then there can be no “holds” on your degree (for example, because a library payment is unpaid, etc.).

If you choose not to give the releases to the University of Washington and/or the BASW Program, you should remember to change the release with the Registrar or provide the Program with separate releases any time you use the University of Washington, or the Program, or its faculty for reference purposes.

Retaining Your Course Syllabi

We strongly recommend that you begin your social work career by maintaining a file or notebook of all course descriptions and syllabi for courses you take including practicum contracts and evaluations. You will find this very helpful in the future if you decide to apply for certification in a specialized area or if the state in which you practice requires this information. Your official University transcript shows generic titles for some Social Work

courses, and thus, does not always reflect the specific title or content of all courses. This makes it important for you to keep the course syllabi reflecting the course number and content.

You can save yourself time (and lost opportunity) if you begin this kind of record keeping now.

Graduation Requirements, Checklist and Ceremonies

Application to Graduate

Students are encouraged to apply to graduate in the Autumn quarter of their senior year by making an appointment with the BASW Program Adviser. During the appointment the formal application to graduate is completed and an analysis of remaining courses and credits is done. The application is filed with the Graduation Office, which will then monitor the student's progress of completing the courses listed. Students must apply to graduate no later than two weeks into the quarter in which graduation is planned.

A graduating student with a degree application on file in the Graduations Office may register on the first day of Period I for the final two quarters (priority quarters). This assumes the application has been filed during the first three weeks of the third quarter prior to graduation. If a student must

postpone his or her graduation, the student may save his or her priority quarters by not registering before the regular senior priority day. Students who have used their Graduating Senior Priority for two quarters revert to regular senior priority.

Although a student may graduate in any quarter, there is only one commencement ceremony each year, in June, for everyone graduating during the academic year. If the application is done in time, a student can go through the June ceremony even though coursework is being finished in the summer.

Students who do not graduate in the planned quarter must notify the Graduations Office via email: uwtgrad@u.washington.edu, as well as the BASW Program Adviser.

Degree Requirements - Social Welfare Checklist

To qualify for graduation with a Bachelor of Arts in Social Welfare, a student must complete a minimum of 180 credits as outlined below. Please note, students with University Admission Requirements or Social Welfare prerequisite deficiencies must meet with the BASW Program Adviser regarding completion and scheduling of deficiencies.

Social Welfare Core Requirements

Course	Credit	Grade	Quarter/Yr
<i>TSOCWF 300 Social Welfare: Historical Approaches</i>	(3)		
<i>TSOCWF 310 Social Welfare Practice I</i>	(3)		
<i>TSOCWF 311 Social Welfare Practice II</i>	(3)		
<i>TSOCWF 312 Social Welfare Practice III</i>	(3)		
<i>TSOCWF 320 Social Welfare: Contemporary Approaches</i>	(3)		
<i>TSOCWF 390 Introduction to Social Welfare Research</i>	(5)		
<i>TSOCWF 402 HB & SE I</i>	(3)		
<i>TSOCWF 403 HB & SE II</i>	(3)		
<i>TSOCWF 404 Cultural Diversity and Social Justice</i>	(5)		
<i>TSOCWF 405 Practicum Seminar</i>	(3)		
(9 credits total)	(3)		
	(3)		
	(3)		
<i>TSOCWF 415 Practicum CR/NC</i>	(4)		
(12 credits total)	(4)		
	(4)		
	(4)		
Subtotal	52 cr.		

Social Welfare Required Electives *from Approved List*

Subtotal	15 cr.		

General Electives *from any discipline (100-500 level)*

Subtotal	23* cr.	*Amount required may vary	

* The number of general electives required may vary based on your total number of transfer credits. Consult with the BASW Program Adviser for more information.

Graduation Ceremonies

University of Washington Tacoma

Commencement Ceremony: The University of Washington Tacoma holds a Commencement ceremony for all UWT graduates. Information is provided after students have officially applied for graduation. A cap and gown is required for this ceremony. UWT graduation ceremonies are coordinated by the Associate Director of Student Services, to which students may address inquiries, 253.692.4400.

Information about graduation is distributed via e-mail and student mailboxes. Students who are graduating have the responsibility to check their mailboxes and acquire this information or make arrangements the Social Work Program office to have this information mailed to their home if the student does not plan to be on campus during spring quarter.

Caps and gowns: Caps and gowns are purchased on campus. All degree applicants will receive information about ordering academic apparel. Announcements will be made via e-mail during spring quarter.

Diplomas: These are mailed to students 4-5 months after graduation. In the meantime, if an employer requests verification of graduation, either the BASW Program can provide a letter, you may contact the Registrar at 253.692.4400, or you may refer to the Degree Validation website:

sdb.admin.washington.edu/graduatedir

Note: The names of students that have restricted the release of directory information cannot be verified through this website.

Computing, Web Page and Electronic Communication

MyUW and UWNetID

MyUW (myuw.washington.edu/): MyUW is your web portal to University of Washington information, UW email, and personal services (includes web registration, checking your grades, tuition statement, and other personal information). MyUW is an easy-to-use tool for finding the resources you need to fulfill your goals at the university. You can "personalize" it to fit your needs by including or excluding the services you see listed, adding bookmarks to your favorite links, and choosing the background and accent colors you prefer.

A **UWNetID** (with password) is required to access your personal services, web registration, and UW email. For security, your UWNetID and password and all functions of MyUW that contain sensitive information are encrypted before they are transmitted across the network.

MyUW includes links to the UW Library catalog, reference tools such as an encyclopedia and a dictionary, a calendar of campus events, access to the UWT *Student Catalog*, the UW student directory, a scholarship directory and the academic calendar (deadlines for adding or dropping courses, registration dates) and an on-line class schedule. The last item is particularly useful because it includes the minute-to-minute enrollment status of courses -- so that during registration for the next quarter, for example, you can check classes to see if they are open *before* you register. With the exception of access to your personal information and web registration, you may also access many of these resources through the UWT's website: tacoma.washington.edu.

Social Work Web Page Information

The UWT Social Work Program web site, www.tacoma.washington.edu/social, provides program and course information, advising resources and tools such as independent study forms and instructions, practicum information, and highlights Social Work Program new and announcements.

Links to social welfare related web sites such as the Council on Social Work Education (CSWE), the National Association of Social Workers (NASW), and other related websites are also provided.

Computer Access

The University of Washington Tacoma houses its own Computer Labs in the Walsh Gardner Building, Room WG-108 and the Cherry Parkes Building, Room CP-005, where students have free access computers

and laser printers running a variety of Windows software, including Word and Excel. A number of other software packages, including electronic mail and statistical analyses are also available.

For Macintosh users, the Computer Lab also houses Macs.) Tutorials and training are available that assist with learning how to use the different computer software. For further information, please call the Computer Lab at 253.692.4415.

Electronic Mail Account and Electronic Communications

As a student of the University of Washington, you are provided with an email account at no charge. For details on how to create your UW email account, visit www.washington.edu/computing/email. If you need assistance creating your account, visit a UWT computer lab in WG-108 or CP-005 and a staff member can assist you.

All Social Work students are required to maintain a UW email account, be subscribed to the official UWTBASW listserv, and check their email at least twice each week. The BASW Program uses email as the major means to distribute important information about school programs, class information, deadlines, and other announcements.

Note: You will be automatically subscribed to the UWTBASW listserv prior to the start of Autumn Quarter.

Computing Rules at the UW

The following is excerpted from the UW website:
www.washington.edu/computing/rules/guidelines.html

Email Guidelines: Your use of email must meet the same common sense standards you would apply to your use of campus telephones and campus mail. Further, your use must not interfere with the operation of the computers and networks or with the work of others.

- DO NOT send email to someone who has requested that you not do so.
- DO NOT send frivolous or excessive messages, either locally or off campus.
- DO NOT create, send, or forward chain letters (messages that are forwarded many times to people who have not solicited the information).
- DO NOT flood another system, network, or user account with email.
- DO NOT send email to someone you do not know, just because you see them logged in or like their name.
- DO NOT send email to individuals or groups who you could not reasonably expect to welcome email from you. If you have any doubt, ask their permission before adding them to any list.
- DO NOT obscure the true identity of the sender of email or forge email messages.
- It is your responsibility to determine the purpose of an electronic mail list (e.g., a LISTPROC or LISTSERV) before subscribing or sending messages to the list. Persons subscribing to an email list will be viewed as having solicited any material delivered by the list, as long as that material is consistent with the purpose of the list.

- DO NOT send to an email list any materials that are not consistent with the purpose of the list. If you send messages not relevant to the purpose of the list, you will be viewed as having sent unsolicited email.
- DO NOT continue to send email to a list if the list owner has requested that you stop sending to the list because you are not following the guidelines or topic established for the list.
- DO NOT harvest email addresses from another email list in order to establish your own list. If a list is closely related to a subject you would like to initiate, it is permissible to post a message to the existing group, inviting people to subscribe to your list.
- DO NOT harvest email addresses from an institution's directory or through the use of tools such as finger.
- DO NOT subscribe anyone to an email list except with the individual's permission.

Please refer to the following website for detailed rules on email and computer usage at the UW:
www.washington.edu/computing/rules.html

Personal Computers

Many students have their own computers. If you do, you may want to connect your computer to the UW network. You will need a personal computer (Macintosh or PC), and either a broadband connection (including hardware & software), or a modem & telephone line connection (including hardware & software).

If you do not already have a broadband connection (e.g. cable, dsl, highspeed) from home, you may want to purchase a University of Washington Internet Connectivity Kit (UWICK) CD at the University Bookstore Computer Center. This CD has an automated software installation program on it, which will install all of the communications programs you

need to connect to UW computers VIA A MODEM and phonline from home. Unfortunately, the UWICK CD does not provide high-speed broadband access.

A handout with instructions for connecting from home is also available at the computer lab. For further information, you can also visit the UW's website at:
washington.edu/computing/software/uwick/

For UW students there is no charge for using the University computers over a modem if you are within the local telephone calling area, which in this case extends from Everett to Tacoma. If your call to the University computers is long-distance, you will be charged regular long-distance rates.

Associated Student of UWT (ASUWT)

Represents student interests, needs, and welfare within the University community through advocacy and involvement.

Office: MAT-103, 253.692.4427

Childcare Assistance Program

Provides eligible students with financial assistance to subsidize childcare costs. Must submit FAFSA and a Childcare Request Application.

Office: MAT-108, 253.692.4481
Email: uwtlife@u.washington.edu

Disability Support Services (DSS)

Provides assistance for permanent or temporary disabilities.

Office: MAT-206, 253.692.4501 or
TTY 253.692.4413
Email: dssuwt@u.washington.edu

Student Counseling Center

An on-campus resource that provides counseling to the students at UWT.

Office: MAT-206, 253.692.4405

Student Recreation Center's

There are now two recreation centers on campus! The "oUWTpost", located in the Matteress Factory, houses a student lounge with pool tables, air hockey, a big screen TV and computer stations. The Longshoreman's Hall, located on Market Street, features a student lounge, a computer lab/online gaming room, vending machines, ping pong tables, outdoor basketball/recreation courts, video games and much more!

For more information on hours of operation contact 253.692.4811.

Fitness Center

Features state-of-the-art equipment and a fun, friendly and energetic atmosphere for all users!

Location: WCG 112

NOTE: You can access the facility by entering on the Pacific Ave. entrance of WCG or by taking the WCG elevator down to level "G".

Office of the Ombudsman

Provides services for preventing, managing and resolving conflict among students, staff, and faculty of this University

Office: WCG 426, 253.692.4476
Email: ombuds@u.washington.edu

Diversity Resource Center

Offers programs and support that enhances campus education, assists with developing community partnerships, and helps to build a diverse campus community.

Office: WCG-102, 253.692.4776
Email: divrescn@u.washington.edu

Housing Resources

UWT does not offer on-campus housing at this time. However, Student Affairs has developed resources to assist students in locating affordable, accomodating housing near campus.

Contact: Bernie Liang, 253.692.5809

Campus Safety & Security Escorts

*Services include safety escorts and vehicle lockout assistance. Students, faculty, and staff are encouragd to use the Campus Safety Escort Program. The service operates Monday through Thursday from 5:00pm to 10:30pm, except holidays, breaks and summer quarter. This service is **free** of charge.*

Office: DOU-180, 253.692.4888 or
253.692.4416

Safety Escort Program: #300 or #333 from
any campus phone

Student Health Insurance

UWT has partnered with UWS to offer students a health insurance plan.

For more information stop by Student Affairs (MAT 206) or visit visit www.studentresources.com.

Additional Resources

To learn about additional campus resources, refer to your UWT Student Planner or visit the UWT website.

Scholarship Funding Information

UWT Scholarship Opportunities

UWT offers a variety of scholarships to help students who may not otherwise be able to afford their education. Watch your email for scholarship announcements or visit the web for a current list of scholarship opportunities:

www.tacoma.washington.edu/enrollment/services/admissions/finaid/scholarships

You may also visit the UW Undergraduate Scholarship Office (Seattle) for additional scholarship opportunities.

www.washington.edu/students/ugrad/scholar/index.shtml

Other online scholarship resources include Fast WEB (www.fastweb.com) and College Board (www.collegeboard.org), just to name a few.

Opportunities For Involvement

Social Work Advisory Council

Provides input to strengthen curriculum development, develop program goals and objectives for learning and other related areas. Membership includes Social Work faculty, staff, students, practicum field supervisors and community members.

For more information contact the Social Work Program Office at 253-692-5820.

Queer-Straight Alliance (QSA)

A student organization that acts as an educational resource for the campus community to promote awareness and acceptance of LGBTQ issues that occur on campus and in our communities.

Faculty adviser: Teresa Holt

Student Social Work Organization (SSWO)

A student organization who's mission is to "empower individuals, groups and communities towards social change by listening, advocating for social justice and serving communities with competence and integrity."

Faculty adviser: Jerry Finn
E-mail: sswouwt@u.washington.edu

National Association of Social Workers (NASW)

Only national organization serving needs of social work profession. Offers a wide range of professional services, benefits, and opportunities. Reduced rates for students, by degree level.

State chapter: 522 N 85th St. Suite B100,
Seattle, WA 98103, 206-706-7084,
email: info@nasw-wa.org

Chapter Website: www.nasw-wa.org
National address: 750 First Street NE, Ste
700, Washington, DC 2002-4241

Website (includes on-line membership
application): www.naswdc.org
Toll-free number for membership
information: 1-800-742.4089

UW Alumni Association

Provides programming and events linking alumni and students.

206-543-0540 or 1-800-AUW-ALUM
Website: www.washington.edu/alumni

Voices for Planned Parenthood (VOX)

A student organization that exists to educate the university community about reproductive health and right, to translate increased awareness into pre-choice activism on campus, and to serve as a coalition partner to state, national, and international reproductive rights efforts.

Faculty adviser: Janice Laakso
Website: www.myspace.com/uwtvox

Employment Information

Career Development Center

Provides a number of services to students including: career and internship planning, job search and networking strategies, resume development, and interviewing. Also sponsors an annual career fair and provides career assessment services.

Office: MAT-106, 253.692.4421
Email: tcareer@u.washington.edu

NOTE: The Social Work bulletin board (located outside the program office) and uwtbasw listserv often post employment and volunteer opportunities.

Additional Educational Opportunities

Social Work Continuing Education

Offers a year-round schedule of non-credit professional development programs. Contact the UW Extension for information.

Location: 4311 – 11th Ave. N.E.
Phone: 206-897-8939/1-800-506-1325
Web: depts.washington.edu/sswwweb/ce.html

Key Bank Professional Development Center

Offers an array of seminars, workshops and courses to enhance the knowledge and skills of community members.

Location: Carlton Center – 4th Floor
1551 Broadway Ave., Tacoma
Phone: 253.692-4618
Website: www.tacoma.washington.edu/pdc
Email: uwtpdctr@u.washington.edu

ASUW Experimental College

Offers a wide range of non-credit recreational or practical classes, mainly on evenings and weekends. Free quarterly catalog available at many campus locations.

HUB G-10, 206-543-4375
Website: depts.washington.edu/asuwxpcl

Discover U

Offers a wide range of non-credit recreational or practical classes, mainly on evenings and weekend in the Seattle area. Free catalog available at many Seattle bookstores and coffee shops.

Contact: 2150 N 107th St. Ste B52
Seattle, WA 98133 - 206-365-0400
Website:
www.discoveru.org/home/index.cfm

Standards of Conduct and Grievance Procedures

UW Student Conduct Code

The following is an abbreviated version. The complete code is available from the Office of the Vice President for Student Affairs, Schmitz 476, or the Washington Administrative Code, Chapter 478-120 (in the UWT Library).

Admission to the University carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic goals and the welfare of the academic community. That responsibility includes, but is not limited to:

- academic and professional honesty and integrity,
- refraining from actions which would interfere with University functions or endanger the health, safety, or welfare of others, and
- complying with the rules and regulations of the University and its units.

Specific instances of misconduct on campus include, but are not limited to:

- intentionally and substantially disrupting teaching

- physical abuse or threat of harm
- sexual offenses, such as rape, sexual assault or harassment
- malicious damage to or misuse of property
- refusal to comply with lawful order to leave the campus
- possession or use of firearms, explosives, dangerous chemicals, or other dangerous weapons (excluding legal defense sprays)
- unlawful possession, use, distribution, or manufacture of alcohol or controlled substances
- inciting others to engage in unlawful activity.

Violations of these standards may result in a variety of disciplinary actions, including suspension or permanent dismissal from the University.

Academic Performance and Conduct Which May Result in a Review and Possible Dismissal from the BASW Program

Students may be terminated from the School of Social Work for any of the following:

1. Failure to meet or maintain academic standards as established by the University and the School of Social Work and the BASW Program in

Tacoma. (This is automatic and may take place without a review or further procedure.)

2. Academic cheating, lying, or plagiarism.

3. Behavior judged to be in violation of the NASW Code of Ethics (available at <http://www.naswdc.org> on the World Wide Web) or unprofessional conduct as specified by RCW 18.130.180 Unprofessional Conduct, Regulation of Health Professions-Uniform Disciplinary Act, Revised Code of Washington.*
 4. Documented evidence of conviction of a criminal act occurring during the course of study, or which occurred prior to admission to the BASW Program and became known after admission.
 5. Failure to meet the Standards for Essential Abilities and Attributes for Admission and Continuance in the BASW Program.
- * The NASW Code of Ethics is published in the *Encyclopedia of Social Work*, Vol. 3, Appendix 1, available in the SW and UWT Libraries. The most recent RCW 18.130.180 is published in the *Revised Code of Washington*, available in the Law Library or in the Government Publications section of Suzzallo, Allen and UWT Library.

Standards for Essential Abilities and Attributes for Admission and Continuance in the BASW Program

Essential Abilities and Attributes for Admission to and Continuance in the School of Social Work and the BASW Program, distinguished from academic standards, describe the physical, cognitive, emotional and character requirements to provide reasonable assurance that students can complete the entire course of study and participate fully in all aspects of social work education and the practice of social work.

Acquisition of competence as a social worker is a lengthy and complex process that will be subverted by significant limitations of the student's ability to participate in the full spectrum of the experiences and the requirements of the curriculum.

Students in the BASW Program at the University of Washington, Tacoma are expected to possess the following abilities and attributes at a level appropriate to their year in the program. They are expected to meet these standards in the classroom, in their practica and elsewhere. Attention to these standards will be part of evaluations made by faculty responsible for evaluating applications for admission and faculty responsible for evaluating students' classroom and practicum performance.

Motor Abilities. The social work student must have sufficient motor abilities to attend class and practicum placement with or without technical accommodation. Reasonable accommodation through technology for limitations in motor abilities will be allowed. The Office of Disability Support Services may be consulted regarding reasonable accommodations.

Sensory Abilities. The social work student must have the ability through his/her senses to participate in classes and practicum placement. The student must acquire and integrate data through use of their senses with or without technical accommodation. Reasonable accommodation through technology for limitations in sensory abilities will be allowed. The Office of Disability Support Services may be consulted regarding reasonable accommodations.

Communication Skills. The social work student must communicate effectively and sensitively with other students, faculty, staff, clients and other professionals. They must express their ideas and feelings clearly and demonstrate a willingness and ability to listen to others. They must have sufficient

skills in spoken and written English to understand the content presented in the program.

Self-awareness. The social work student must know how his/her values, attitudes, beliefs, emotions and past experiences affect his/her thinking, behavior and relationships. The student must be willing to examine and change his/her behavior when it interferes with his/her working with clients and other professionals; and must be able to work effectively with others in subordinate positions as well as with those in authority.

Professional Commitment. The social work student must have a strong commitment to the goals of social work and to the ethical standards of the profession. The student must be committed to the essential values of social work which are the dignity and worth of every individual and his/her right to a just share of the society's resources.

Knowledge Base for Social Work Practice. The professional activities of social work students must be grounded in relevant social, behavioral and biological science knowledge and research. This includes knowledge and skills in relationship building, data gathering, assessment, interventions and evaluation of practice.

Objectivity. The social work student must be objective enough to systematically evaluate clients and their situations in an unbiased, factual way.

Empathy. The social work student must endeavor to seek to comprehend another individual's way of life and values. He/she must be able to communicate this empathy and support to the client as a basis for a productive professional relationship.

Energy. The social work student must be resistant to the undesirable effects of stress and avoid burnout by exercising appropriate self-care and developing cooperative and facilitative relationships with colleagues and peers.

Acceptance of Diversity. The social work student must appreciate the value of human diversity. He/she must serve in an appropriate manner all persons in need of assistance, regardless of the person's age, class, race, religious affiliation (or lack of), gender, disability, sexual orientation and/or value system. Social work students must not impose their own personal, religious, sexual, and/or cultural values on their clients.

Interpersonal Skills. The social work student must demonstrate the interpersonal skills needed to relate effectively to other students, faculty, staff, clients and other professionals. These include compassion, altruism, integrity and the demonstration of respect for, and consideration of others.

Professional Behavior. The social work student must behave professionally by knowing and practicing within the scope of social work, respecting others, being punctual and dependable, prioritizing responsibilities and completing assignments on time.

Resolution of Grievances

There are two different avenues to redress a grievance, depending on whether the grievance is academic (including practicum) or related to discrimination or unfair treatment. **The BASW Program as well as the University encourage the resolution of grievances at the lowest level. In addition, although the process will generally be followed in the order described below, no one phase in the process is required before another may be utilized.** If resolution of a grievance does not occur at a particular level, the appropriate referrals can be identified and discussed. It is against University policy to penalize or retaliate against any party for participation in grievance resolution.

Contact information for the parties mentioned in this section are listed at the end.

Academic grievance

An academic grievance may be resolved by discussing the issue with the faculty member concerned, secondly with the Director, and thirdly with the Ombudsman and fourthly with the Vice Chancellor for Academic Affairs. For academic issues within practicum, resolution may be sought by discussion with the Practicum Instructor, and Practicum Coordinator. The Vice Chancellor for Academic Affairs or the Director may refer an academic grievance to a Review Committee (described in the pages that follow this section) or an appropriate University office.

Discrimination/unfair treatment grievance

Students and employees of the University are protected by the University's equal opportunity policies (see the following section). If you believe that you have been discriminated against or unfairly treated — on the basis of race, color, creed, religion,

national origin, sex, sexual or political orientation, age, marital status, disability, or disabled-veteran or Vietnam-era-veteran status — procedures exist within the BASW Program and the University for the resolution of such a grievance. Students also have access to the complaint procedures in state and federal agencies as allowed by law. Be aware that there may be time limitations on the filing of a formal complaint with an external agency.

Within the BASW Program: Discuss the issue and seek resolution with the individual involved. If it is unresolved, a faculty adviser or a faculty member would be another person with whom to discuss the issue and obtain guidance. For issues involving practicum, first discuss the matter with the Practicum Instructor, and then the Practicum Coordinator. The issue can be discussed with the Program Director, and if unresolved, with the Vice Chancellor for Academic Affairs.

When you discuss a complaint with any of the individuals named above, you can expect confidentiality. If, however, your complaint is about sexual harassment, the individual to whom you reported the complaint is legally obligated to report your complaint to the University. (The student can decide whether or not to follow up with the University representative.)

Within the University: Resolution of discrimination or unfair treatment complaints may be sought through the University Ombudsman, and then either through the Office of the Vice President for Student Affairs or the University Complaint Investigation & Resolution Office (UCIRO)—depending on whether the complaint is about a student or a university employee. Complaints about students are directed to the Vice President for Student Affairs; complaints about University employees (which includes faculty) are directed to UCIRO. (The UCIRO may refer

you to a more appropriate University office.)
At these offices, resolution may be sought through informal conciliation or a formal complaint procedure.

The University Ombudsman uses education, consultation, conciliation, or mediation to reach a mutually satisfactory resolution of a dispute, or if a resolution does not occur, can identify and discuss appropriate referral options.

UW Equal Opportunity Statement

For the complete legal statement, refer to the UW Operations Manual, Vol. 2, D46.4 (available in the SW Library).

The University of Washington reaffirms its policy of equal opportunity regardless to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with

University of Washington policy and applicable federal and state statutes and regulations.

In addition to adhering to the University of Washington Equal Opportunity Statement, the BASW Program provides equal opportunity in education without regard to political orientation.

Reasonable Accommodation Statement

The University of Washington is committed to providing access, equal opportunity and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities.

For information or to request disability accommodation contact: Disability Support Services at 253.692.4501/V, 253.692.4413/TTY, or e-mail at dssuwt@u.washington.edu.

BASW Program Review Committee

The BASW Program Review Committee is charged with the responsibility to investigate and decide on matters related to students' academic and practicum performance problems, including the failure to meet the Standards for Essential Abilities and Attributes for Admission and Continuance in the BASW Program and the items listed

in "Academic Performance and Conduct Which May Result in a Review and Possible Dismissal from the BASW Program." The Committee is charged with keeping the Program's gatekeeping policies and procedures current and recommending to the faculty any changes that may become necessary.

UW Policy Prohibiting Sexual Harassment

For complete policy details, please refer to Executive Order No. 31 of the President, Revised July 1998, UW Handbook (www.washington.edu/faculty/facsenate/handbook/Volume4.html).

Discrimination on the basis of "sex" includes sexual harassment, which means: (1) unwelcome sexual advances or requests for sexual favors by a person who has authority over the recipient when (a) submission to such conduct is made either an implicit or explicit condition of the

individual's employment, academic status, or ability to use University facilities and services, or (b) submission to or rejection of the conduct is used as the basis for a decision that affects tangible aspects of the individual's employment, academic status, or use of University facilities; or (2) unwelcome and unsolicited language or conduct by a member of the University community that is of a sexual nature or is based on the recipient's sex and that is sufficiently offensive or pervasive that it could reasonably be expected to create an

intimidating, hostile, or offensive University environment.

University policy prohibits all forms of sexual harassment. For resolution of a sexual harassment complaint, please refer to

the previous section titled “Resolution of Grievances,” which includes the contact information for the University Ombudsman for Sexual Harassment.

UW Policy on HIV

For complete policy details, please refer to Executive Order No. 60 of the President, Revised September 24, 1996, University Handbook, Vol. IV-59d (available in the SW Library).

The University makes available to eligible persons information and appropriate clinical services, including testing and counseling, and will make referrals as necessary to other health-care agencies. Questions regarding

HIV can be directed to the Hall Health Primary Care Center Information Hotline: 206-685-AIDS or the HIV/STD Information Hotline: 206-205-7837. Additional information is available on the Hall Health
