Checklist of things to do as you begin...

Here is an important checklist of things to do for students entering the School of Social Work (SSW) Master of Social Work Program at the University of Washington Tacoma.

Read, keep and refer to this manual, registration guides, and the UW Tacoma Student Catalog:

Almost everything that you need to know to earn your degree can be found in this manual along with quarterly registration guides and the UW Tacoma catalog. Every effort has been made to provide you with current and accurate information in this manual, however changes do occur. We will communicate changes to you as they occur and we encourage you to do everything possible to stay informed. If there are questions, please contact your Program or Faculty Adviser.

Attend New Student Orientation on Wednesday, September 19, 2007 and Thursday, September 20, 2007 (optional)

Get your Student Identification (ID) Card:

You will need to bring a form of picture identification as well as your student identification number to the Enrollment Services Office in GWP-102 in order to have an ID card issued. All students will have their picture taken for their ID cards. The first issued card is available to you at no charge. For lost cards a replacement fee is charged.

Get your *FREE* Student Planner:

All newly admitted students receive a free student planner during check-in at New Student Orientation. The planner contains important information such as registration policies, campus services, program information, a faculty and staff directory, and a calendar for academic year. If you did not receive your planner please contact the Enrollment Services at 253.692.4400.

Seek Advising:

For registration and degree planning questions, please contact the MSW Program Adviser at 253.692.5820. Students are also assigned a Faculty Adviser after the beginning of autumn quarter. Faculty Advisers assist with program and career planning. See the “Student Advising” section for more details.

Open a UW e-mail account and subscribe to the appropriate UW Tacoma mailing lists:

*All students are required to set-up a UW Net ID, which gives them access to a free UW e-mail account. **All Social Work students are required to maintain a UW email account, be subscribed to the official MSW listserv, and check their email at least twice each week.** (Note: All MSW students are automatically subscribed to the UW Tacoma MSW listserv at the start of Autumn Quarter.) Important notices about courses as well as scholarship and job opportunities are frequently sent out via e-mail. If you do not check it on a weekly basis, you will be out of the loop and in danger of missing very important information. See the “Computing, Web Page, and Electronic Communications” section.*

Check the status of your financial aid:

Students may check the status of their financial aid via MyUW. See the “Financial Assistance” section for details.

Become familiar with the online UW Tacoma Student Catalog:

Course descriptions, campus resources, and university policies can be found in the UW Tacoma Catalog, available online at www.tacoma.washington.edu/catalog.

Visit the Teaching and Learning Center (TLC)—Keystone Building,

Room 202, 253.692.4417:

The TLC provides academic support to students, faculty and staff, with a variety of resources and services. TLC consultants will read and respond to your writing, offer suggestions based on their own experiences as writers, and inspire you to think of new ideas and writing strategies. If you need to discuss assignments, start a paper, brainstorm ideas, organize material, revise rough drafts, overcome writer's block, learn how to cite, review grammar, polish punctuation, or gain confidence as a writer, visit the CTLT. In addition to writing, CTLT also provides assistance with math and science, public speaking, reading, and study skills.

❑ Computer Labs—Walsh Gardner Building, Room WG-108, 253-692-5611 & Cherry Parkes, Room CP-005, 253.692.4415:

UW Tacoma Computer Labs are resources for the students, faculty, and staff. As a student, you will have access to computers and computing resources (software, printers, scanners, and other equipment), which can be used to write papers, build spreadsheets, conduct research, explore the world through the Internet, or publish your work. Computer Services also offers free Computer Technology Workshops to UW Tacoma students throughout the year. Check www.tacoma.washington.edu/at/training/student/index2.cfm for more information.

❑ Safety and Security Services—Dougan, Room 180, 253.692.4888 emergency reporting or 253.692.4416 or #333 to reach office:

UW Tacoma Safety and Security Services are staffed with campus security officers who are certified through the Western Association of Campus Law Enforcement Administration. The office provides security patrols for the campus, enforces state and University regulations and laws, investigates crimes committed on campus, coordinates the Campus Safety Escort Program, and provides other safety-related services. Lost and found items can be turned in to or claimed from this office as well. For free escort service, dial #300 from a campus phone. This service operates Mondays – Thursdays from 5:00 to 10:30 p.m., expect holidays, breaks and summer quarter.

❑ Student mailboxes:

Student mailboxes are located in WCG 206, a locked mailroom outside the Social Work Program suite. Social Work staff are available to give you access to your mailbox upon request. Mailboxes are organized alphabetically and by class standing (1st year, 2nd year, 3rd year). We advise you to check your mailbox frequently as we will place important notices, such as registration information, in your mailbox. Also, you can communicate with other students, faculty and staff in this manner. NOTE: Do not give out the Program address for any personal mail, as non-official mail [usually mail originating outside UW Tacoma] will be returned to sender.

❑ Copy Center—Mattress Factory Building, Room MAT 053, 253.692.5787:

Services available to students include copying/printing, cutting, binding, collating, and covers. Simple services, such as one-sided, copy-ready duplicating, require 15-20 minutes. Requests of 100 copies or more require a minimum of 24 hours.

❑ University Book Store (UBS), 1754 Pacific Avenue, 253.692.5784:

The University Book Store in Tacoma serves the needs of UW Tacoma students and the general public. The bookstore is stocked to handle all of your school supply needs, including textbooks, paper, notebooks, pens, pencils, software, Husky paraphernalia, and much, much more. The Tacoma UBS has textbook buy-back each quarter during finals week. For more information on the buy-back program, please talk to one of the helpful sales persons in the bookstore. UW Tacoma students are also eligible to receive a patronage refund from UBS. For more information visit www.bookstore.washington.edu.

❑ Take a campus tour:

If you have not already taken a campus tour, please contact Enrollment Services at 253.692.4400 for upcoming tour dates.

❑ Visit the UW Tacoma Social Work web site: www.tacoma.washington.edu/social for additional information on program news, policies and events.

Welcome Letter From the Dean and Director

We are pleased to welcome you to the University of Washington School of Social Work MSW Program in Tacoma. The School of Social Work is working collaboratively with the faculty of the Social Work Program at the University of Washington, Tacoma (UW Tacoma) and the UW Tacoma Chancellor and Dean to provide the same quality of educational experience that exists in all School of Social Work program options. We are pleased to be engaged in this endeavor and to provide an opportunity for students in the south Puget Sound region to earn an MSW degree without having to travel to the Seattle campus.

You are preparing to enter the profession of social work at a time of tremendous challenge. Social workers are needed now more than ever if we are to solve pressing and complex problems in global society. Disparities in health and wealth continue to increase dramatically. Demographic shifts create new constellations of service and benefit needs. We increasingly face the fear of terrorism and challenges to our civil liberties.

Edwina Uehara, Ph.D.
Dean
School of Social Work
UW Seattle

You join a school where the faculty and staff are strongly committed to preparing you for the complex practice world of the 21st century. Our curriculum provides you with ways to link your daily efforts to meet the diversity of human need, through interventions with individuals, families with the longer term goals of empowerment and social and economic justice through macro-level interventions with groups, organizations, and communities.

Each of us has a responsibility to contribute to creating a community that supports all its members...a community in which open communication, collaboration, compassion, respect, and caring bind us together. At the School of Social Work, you will find a community that celebrates the strengths and richness of diversity, practicing social justice in each interaction.

I invite you to make the most of every opportunity as a member of this community to acquire the knowledge, skills, values, and the will to make the world a better place by being an effective and competent social worker. I am delighted that you have chosen to pursue social work at the University of Washington Tacoma

Thomas Diehm, Ph.D.
Interim Director
Social Work Program
UW Tacoma

Introduction

We hope your experience in the MSW Program will be stimulating and rewarding. It is hoped that our scheduling will provide access to graduate study for persons who may have otherwise been unable to pursue professional preparation for a career in social work. The Program recognizes the often difficult academic, work, and personal schedules of evening students and appreciates their diverse contributions to the MSW Program and to the University of Washington Tacoma.

The MSW curriculum, in keeping with the mission of the School, has been designed to prepare you for professional social work practice in the Children, Youth and Families area of concentration. Required courses aim to assist students with the integration of social work knowledge and skills, and to strengthen the link between classroom and practicum instruction.

It is important to recognize that professional social work education is regulated through an accreditation process governed by the Council on Social Work Education (CSWE). The School's curriculum follows the CSWE's Educational Policy Standards, which is available in the Resources section on the Social Work Program website: www.tacoma.washington.edu/social.

Please read and study the curriculum description and requirements of the MSW Program carefully. Because of the

complexity of the program, careful reading can help you better understand its structure and sequencing.

The Social Work Program Interim Director is Tom Diehm, 253.692.5823, WCG 203 J. Please feel free to contact him about questions or concerns.

It is important to note that evening students must participate in the registration process via MyUW and are responsible for all deadlines. Program support staff are available until 6p.m. on class nights to assist you with your particular concerns. During the day, please telephone 253.692.5820, if you need an appointment or have questions.

Additional information in the manual includes sections on advising, registration, grading, financial assistance, other related academic information, graduation requirements, and a checklist to track your degree progress; computer access; a resource guide summary with items such as campus resources and ways to be involved at UW Tacoma; standards of student conduct and grievance procedures; and the Curriculum Policy Statement from the Council on Social Work Education.

Additional advising is available through your Faculty Adviser, Practicum Coordinator and the MSW Program Adviser.

Mission and Goals

As members of the University of Washington School of Social Work, we commit ourselves to promoting social and economic justice for poor and oppressed populations and enhancing the quality of life for all. We strive to maximize human welfare through:

- *education of effective social work leaders, practitioners and educators who will challenge injustice and promote a more humane society, and whose actions will be guided by vision, compassion, knowledge and disciplined discovery, and deep respect for cultural diversity and human strengths;*
- *research that engenders understanding of complex social problems, illuminates human capacities for problem-solving, and promotes effective and timely social intervention; and*
- *public service that enhances the health, well-being, and empowerment of disadvantaged communities and populations at local, national, and international levels. We embrace our position of leadership in the field of social work and join in partnership with others in society committed to solving human problems in the twenty-first century.*

MSW Curriculum Goals

The University of Washington School of Social Work MSW curriculum was substantially revised in 2003. The UW Tacoma MSW Program has chosen to maintain its current curricular structure, which will meet the MSW curricular mission, goals and objectives of the curriculum at the University of Washington School of Social Work.

The School's curriculum is framed by a set of core values, which flow directly from its mission. Primary among these is the School's commitment to social justice. Corollary values include commitments to multiculturalism, to social change, and to collaboration and empowerment. Further, the School is dedicated to bringing these commitments to life in its curriculum through pedagogical strategies that recognize the essential synergy between knowledge and action, and that provide opportunities for generative learning.

The MSW Program has two over-arching goals:

- To prepare students for generalist practice including basic knowledge and skills for understanding and solving complex social problems within the values of professional social work.
- To prepare students for advanced professional practice in an area of concentration in a way that fosters social work leadership, effective social interventions, a commitment to a just and human diverse society, and a commitment to public service.

The MSW curriculum is organized around these core principles and builds upon the Curriculum Objectives.

MSW Program

Curriculum Objectives

Foundation Curriculum

The MSW Foundation curriculum provides a foundation year educational experience that builds on an undergraduate, liberal arts degree and prepares students to enter into a concentrated area of social work practice. Through successful completion of the foundation curriculum, graduates of the UW Tacoma MSW Program will be able to complete the following objectives, which specify the knowledge and skills required for accomplishing our program goal of preparing students for generalist practice:

1. Understand the values and ethics of the social work profession and practice accordingly, including mindful use of self and ongoing development of professional skills and knowledge.
2. Understand the forms and mechanisms of discrimination, and apply strategies of advocacy and social change that advance social and economic justice and are non-discriminatory and respectful of client and community diversity.
3. Understand and interpret the history of social welfare and its contemporary structures and issues.
4. Apply the knowledge and skills of a generalist perspective to practice with systems of all sizes.
5. Acquire and critically apply theoretical frameworks supported by empirical evidence to understand individual development and behavior across the life span and (or) the interactions among individuals and between individuals, and families, groups, organizations, and communities.
6. Articulate the role of policy in framing social work practice, understand the impact of major social welfare policies on those who are served by social workers, workers themselves, agencies, and welfare systems, and be able to advocate for just, effective, and humane policies and policy implementation processes.
7. Understand and critically analyze current systems of social service organization and delivery and be able both to practice within them and to seek necessary organizational change
8. Engender the empowerment of diverse and disadvantaged individuals, groups, and communities through effective, culturally and linguistically appropriate assessment, treatment/intervention and outcomes evaluation
9. Make well-reasoned and well-informed judgments based on professional values and ethics, critical self-reflection, evidence, and the appropriate use of supervision and consultation
10. Apply critical thinking skills within the context of professional social work practice, including the ability to critically evaluate major practice frameworks, research evidence, and their own practice.
11. Contribute to the profession's knowledge base and practice through disciplined inquiry, dissemination, and institutionalization of evidence-based practice and policy models.

Concentration Objectives

The MSW advanced curriculum builds on, broadens, and deepens the generalist foundation and prepares students for competent and effective social work practice in an area of concentration. Graduates will accomplish the following objectives, which flow from our goal of preparing students for advanced professional practice:

1. Demonstrate a commitment to the promotion of social justice, through their own work and that of the larger social work profession, and apply principles of multiculturalism and empowerment to social change efforts in their practice.
2. Demonstrate the knowledge and skills required to assess the differential needs of diverse constituents, plan and implement evidence-based interventions in collaboration with constituents, and critically evaluate, monitor, and continuously refine their practice using appropriate research and evaluation methods.
3. Articulate the theories, knowledge of human behavior, and research evidence that inform their practice, apply these mindfully in their work with diverse constituents, and be committed to maintaining the currency of their practice knowledge through life-long learning.
4. Demonstrate knowledge and skills in critical analysis of the sociopolitical factors that shape policy and services formation in their area of practice or setting, in analyzing and influencing existing policies and services and in advocating for change in policies, services, and practices locally, nationally, and globally.
5. Demonstrate professional values, skills, and behavior through a self-reflective understanding of and adherence to the NASW Code of Ethics and other relevant professional standards.
6. Achieve a level of competency such that, with self-monitoring and use of informed consultation, they can practice autonomously in their area of concentration.

Curriculum Description and Requirements

The **UW Tacoma 3-Year MSW Program** is a part-time, evening program of study combining classroom work and practicum. Practicum may include days, evenings and sometimes weekends. (*Note: Evening and weekend practicum placements are limited.*) The Professional Foundation is completed in the first two years with the first advanced Children, Youth and Families course in the Spring Quarter of the second year. The program in the third year provides in-depth preparation in the knowledge and skills for the Children, Youth and Families Concentration.

The **UW Tacoma MSW Advanced Standing Program** is an 18-month (six quarter) evening, part-time program of study combining classroom and practicum work. Practicum may include days, evenings and sometimes weekends. (*Note: Evening and weekend practicum placements are limited.*)

The concentration in both the 3-Year and Advanced Standing MSW Programs provides advanced content in social work practice models and methods, applied research and social policy. Students are expected to follow the curriculum design shown in the “Model Program of Study” shown on the pages ahead. The School of Social Work and the Program reserve the right to change the MSW curriculum.

Professional Foundation Curriculum – 3 Year MSW Program

Professional Foundation courses provide instruction in the knowledge and skills required for effective, accountable beginning social work practice with individuals, families, groups, organizations and communities. They also socialize students to the profession, its values, ethics and history. The Foundation encompasses six required areas of course content. ***All Foundation courses must be completed in order to begin the advanced curriculum.***

Required Courses in the Professional Foundation

The practice sequence is designed to prepare students for beginning social work with client systems of various sizes and types.

Social Work Practice

Social Work Practice I - Introduction to Social Work Practice (T SOCW 510): This is the first course in a two-quarter sequence providing foundation knowledge and skills for direct practice with individuals, families

and groups. It is designed as a foundation for subsequent practice courses and for the Foundation Practicum. This course assists students in achieving mastery of interviewing and relationship building skills, knowledge of cross-cultural communication and practice issues, and of social work values and ethics. Beginning level skills in assessment are developed. The course provides an overview of the history of professional social work, and an introduction to several primary practice frameworks.

Social Work Practice II - Intermediate Direct Services Practice (T SOCW 511): The second of the two-quarter course sequence, this course focuses on mastery in assessment and goal setting and beginning expertise in intervention selection, planning, and evaluation with micro systems (e.g. individuals, couples, families and small groups), with primary focus on individuals and families. The course also focuses on intervention emphasizing review of the empirical foundation of approaches to direct

services; appropriate evaluation strategies and approaches to monitoring the implementation of interventions with individuals and families. By the end of the course it is expected that students understand and apply the basic principles of professional relationships to direct social work practice; demonstrate skill in conceptualizing and writing assessments; understand basic interventions in work with individuals, families and groups; understand how culture, class, gender, race, sexual orientation, and life experiences of clients and social work professionals affect the provision of direct social work services; be skilled in conceptualizing social work practice; and have made linkages between classroom and practicum learning.

Social Work Practice III - Organizational Practice (T SOCW 512): This is the first of two macro practice courses (*T SOCW 513* is the second). This course builds on other foundation courses in the areas of human behavior, cultural diversity, policy and micro practice. Topics and assignments are linked to practicum placements. The course focuses on how management activities contribute to service effectiveness for clients as well as the quality of work conditions for staff. Various administrative roles, functions, and skills are examined in regard to service effectiveness. The impact of agency structure, culture, and mission on staff, clients, and organizational outcomes is discussed with emphasis on how social work managers can influence change in these critical elements. In addition, the course covers ethical dilemmas associated with management activities, diversity in the workplace, and power and empowerment. Specific attention is devoted to knowledge and skills needed for leading task groups.

Social Work Practice IV - Community Change Practice (T SOCW 513): This is the second of two courses on macro practice. Whatever their formal roles, social workers are agents of social change. In this course students are encouraged to investigate ways in which personal problems relate to public

issues, how individual change relates to social change, and how problem solving skills used in working with individuals can also be used to address community problems. Participants become more aware of considerations involved in working with communities of concern and the benefits of collective action. A participatory approach is encouraged. Emphasis is on “policy picture,” the emerging new social work method. An empowerment perspective is used to identify and assess situations where people experience discrimination and blocked opportunities in their relationships with social institutions based on their race, color, disability, age, sexual orientation or political views.

Social Work Practice V - Foundation Practice Skills (T SOCW 514): This requirement is met by choosing one of the following courses:

Assessment and Brief Intervention in Substance Abuse and Dependence
Assessment of Mental Disorders in Children
Assessment of Mental Disorders in Adults
International Social Work and Social Development
Diversity, Spirituality and Mental Health

The course choices seek to enhance the foundation curriculum with the teaching of practice skills (micro, mezzo and/or macro) associated with key contemporary themes in social work.

Students **cannot exempt or substitute courses for T SOCW 514**. If you have a course with content similar to one of the *T SOCW 514* courses, then you should choose to take another selection in order to broaden your Foundation learning.

Note: There are typically two options of T SOCW 514 for UW Tacoma MSW Program students.

Human Behavior and the Social Environment

Human Behavior and the Social

Environment I (HB&SE) (T SOCW 502):

This is the first of two interrelated courses. Focusing on the person-in-environment, this course explores behavior as a function of biological, cognitive psychological, cultural, and social processes across the life span. It stresses multi-cultural aspects of human development as opposed to conventional mono-cultural models. Active group participation will involve the examination of diverse ethnic and cultural environmental backgrounds at different developmental stages.

Human Behavior and the Social

Environment II (HB&SE) (T SOCW 503):

This course focuses on small groups, organizations, community and society from a social systems perspective as socializing forces and as targets of change.

Social Policy

Social Policy and Economic Security (T SOCW 501): Offered in the first quarter of the foundation year, this course is designed to familiarize students with the American welfare state and its political, legal and economic context, as well as its historical, cultural and philosophical underpinnings. Social policies are explored in relation to specific societal problems of poverty, inequality, unemployment, limited access to health care and homelessness. Society's remedies to such income distribution problems are its economic security programs that attempt to redistribute income and wealth. Public assistance (e.g., "welfare") and social insurance (e.g., Social Security) policies and programs are examined and analyzed. The effects of class, race and gender on both problem population configuration and on program remedies are addressed.

Social policy is society's major means of public resource allocation. Therefore, social policy is the key and major vehicle of positive social change. In this course, social work students come to see economic security policies as a major arena for advocacy and social change.

Diversity

Cultural Diversity and Social Justice (T SOCW 504): The purpose of this course is to provide the theoretical, historical, empirical and experiential knowledge base related to social group differences, privilege, oppression, social justice, and empowerment. The course provides a forum for students to: (a) critically examine their social identities and positionalities embedded in race, ethnic, gender, sexual orientation, age, class, ability status, religion and national origin; (b) dialogue with others about on how these cultural beliefs, assumptions and value systems affect their work with people of diverse backgrounds; and (c) develop perspectives and approaches to working with and across differences. These learning objectives aim to help students develop critical self-reflection, multicultural values and ethics, and build knowledge, awareness and competencies in a variety of ways they can act against oppression and promote diversity and justice. CR/NC only

Research

Foundation of Social Welfare Research (T SOCW 505): This course provides an overview of the research processes and methods used in social work, with a focus on consuming and performing practice-related research and evaluating one's practice. Emphasis is on critical understanding of empirical literature; development of useful and appropriate questions about social work practice and strategies and techniques for doing research; and applying findings to practice.

Practicum

Introduction to Practicum (T SOCW 523):

This is the first course in the practicum sequence for masters-level students. The purpose of this one credit course is to orient students to the Foundation Practicum and to prepare students for the development and implementation of their practicum educational contract and other required practicum activities. CR/NC

The Professional Foundation Practicum (T SOCW 524):

The Foundation Practicum incorporates content acquired in all areas of the curriculum. In a selected community agency, the student is provided the opportunity to apply social work knowledge under the supervision of an experienced social worker. Emphasis is placed on developing the perspectives and skills needed for practice with individuals, families, groups, organizations and communities. In addition, the development of culturally competent practice and planned social change skills are an integral part of the Foundation Practicum and are seen as critical for the effective delivery of social services.

The Practicum Coordinator interviews each student and reviews a questionnaire completed by the student which pertains to student areas of interest as well as previous experience in social work. They then select a placement for each student, which meets curriculum and accreditation requirements.

The Foundation Practicum usually is begun the summer after the first academic year and completed in three quarters. A total of nine credits and 360 hours are required for the Foundation Practicum (including *T SOCW 523*). One credit is equal to 40 clock hours in the agency. CR/NC

NOTE: If you are employed full-time, it may be necessary to reduce or make changes in your work schedule or other commitments to complete the Foundation Practicum requirements of the Program.

The Advanced Curriculum: Children, Youth and Families Concentration – Advanced Standing and 3-Year MSW Program

The mission of the Children, Youth and Families Concentration is to prepare MSW level practitioners to design, deliver, evaluate, and advocate for services focused on promotion of healthy development for children and families. The Concentration reflects the School's long-standing commitment to child and family services. The CYF curriculum prepares students for practice in a number of different fields of service and intervention methods including juvenile justice; school social work; early intervention, prevention and family support services; child and adolescent mental health; work with families who have a member with a developmental disability; child welfare and intensive family preservation services. Throughout the Concentration curriculum, special attention is given to children and families whose daily lives are challenged by the effects of poverty and oppression, and whose primary recourse for help is through publicly funded services. **All** concentration curriculum must be completed in the UW Tacoma MSW Program.

Required Courses:

Child and Family Policy and Services (T SOCW 531): This course examines selected areas of child and family services policy in terms of historical antecedents, expressed values, practice implications and potential for policy reform. Representative topical areas include: foster care; family preservation and support; residential services; services to prevent and ameliorate child maltreatment.

Children, Youth and Families Practice I (T SOCW 532): This is the first practice course in the Children, Youth and Family Concentration. The emphasis is on family and community centered assessment and intervention within an ecological framework. Specific attention is given to family and community violence, substance abuse, and mental health. Core practice frameworks encompass brief interventions,

family systems interventions, collaborative service delivery, and family support and preservation. Students will begin work on the portfolio project during this course.

Children, Youth and Families Practice II (T SOCW 533): The course builds on CYF Practice I. The focus is on the application of the values, knowledge, and skills emphasized within the practice frameworks of brief interventions, family systems interventions, collaborative service delivery, and family support and preservation. Classroom sessions provide opportunities for active learning of relevant interventions. Students will complete portfolio projects at the end of this course.

Advanced Research for CYF Practice (T SOCW 535): This course promotes the practical application of research concepts and skills to social work practice in CYF settings. Emphasis will be on evaluating service effectiveness including the effectiveness of possible applications of students' intervention proposals developed in T SOCW 505, Practice II, and in certain Concentration courses.

Advanced Standing Integrative Seminar (T SOCW 598): This course integrates the domains of social work practice, research, policy, cultural diversity, and human behavior and the social environment.

Concentration Practicum. Please see description below under *Advanced Practicum T SOCW 525*

Selectives

To complete the Concentration, students must choose at least two approved Selectives. The following CYF Selectives may be offered:

****UW Tacoma MSW Program students will usually have a choice among 3-5 of the options listed below.***

Adult Interpersonal Violence
Chemical Dependency
Child Welfare and Permanency Planning
Group Interventions with Children, Youth and Families.
Gerontological Social Work: Health and Mental Health in Older Adults
Legislative Advocacy: The Politics of Social Change
Multicultural Theory and Practice
School Social Work
Social, Emotional and Behavioral Development of Children and Adolescents
Social Work Practice With Families: Theory and Method
Spirituality and Social Work
Supervisory Leadership

School Social Work Certification: Social Workers who practice social work in public school settings must be certified by the Office of the Superintendent of Public Instruction. This school offers the opportunity for students to earn Initial Level Certification. Requirements include a practicum in a K through 12 school setting, completion of *School Social Work (T SOCW 536)*, and a certification examination.

Check this website to find out details about all School Social Worker Certification

Requirements:
www.depts.washington.edu/sswwweb/programs/K12_cert_program.html .

Advanced Practicum T SOCW 525

The Advanced Practicum, which is an integral part of the advanced curricula is determined by the UW Tacoma Program Practicum Coordinator in collaboration with the student and is based on an in-depth interview with each student. Placement must meet curriculum and accreditation requirements.

The Advanced Practicum may not begin until all foundation requirements are completed. Students complete the 720 required hours of the Advanced Practicum over four quarters (16 – 20 hours per week). Five credits is equal to 20 hours per week for the duration of the quarter.

NOTE: If you are employed full-time, it may be necessary to reduce or make changes in your work schedule or other commitments to complete the Practicum requirements of the Program.

Electives and Independent Study

Although electives do not count toward graduation, some will be offered on the Tacoma campus to provide students an opportunity to broaden their program of study. Electives vary from year to year. Currently, one elective course has been developed and others will be added based on faculty expertise and student interest.

T SOCW 580 Aging and American Society (3 credits) Covers physical and psychological processes of aging. Includes social aspects of aging related to family roles, cultural, social support and use of health and social services. Reviews home and community based services and how those services may need to change in the 21st century. Prerequisite: permission of

instructor. Open to both undergraduate and graduate students.

Independent Study

Independent study are elective courses that are set up between individual students and faculty. At this time, they include *T SOCW 599*.

T SOCW 599 Readings in Social Work (1-5 variable credits) Student-originated, individually contracted projects on topics of interest in social welfare/ social work not covered by other Social Work Program offerings.

The Readings in Social Work Independent Study course requires that students adhere to the following instructions for submitting a contract plan for approval.

Instructions for Approval Process:

1. Determine area of interest for your independent study.
2. Contact Social Work Program faculty member to discuss scope of T SOCW 599 proposal **at least six weeks prior** to the start of the following quarter.
3. If the Social Work Program faculty agrees to sponsor your T SOCW 599, then you may begin working on your formal written proposal.
4. Submit formal written proposal to faculty sponsor for approval.
5. If approved, faculty sponsor will send an email to the Program Adviser.
6. Student completes Course Summary and Contract Plan form available online. Attach proposal or fill out form as appropriate.
7. Once form is complete with faculty sponsor and student signatures, provide a copy of the form to the Program Adviser.
8. After step #7, an entry code will be made available to the student for registration purposes. (Allow 24 hrs for entry code.) A copy will be returned to the student with an entry code. The original form will be returned to the faculty sponsor until the grade is issued.
9. Faculty sponsor must return original Course Summary and Contract Plan

form with attached proposal to the Program Adviser complete with final grade and faculty signature after the quarter has ended. The original form and proposal will be placed in the student's permanent file.

Student Advising

The UW Tacoma MSW Program aims to assure that the advisement needs of students are optimally met. Faculty and administrative staff work together to ensure that students have access to information, and advising. Students are guided regarding the structure of the curriculum, course choices available, the process for individualizing learning, where to seek

resolution to grievances or conflicts, and resources to assist students who encounter significant difficulties in meeting one or more program requirements. These formal advising functions are provided by Faculty advisers, the Practicum Coordinator, and the Program Adviser & Administrator.

Faculty Advisers

All students are randomly assigned an official faculty adviser with whom they should meet on a periodic basis. As students get to know faculty members better, they may request to the Program Director a change of adviser. In addition to the faculty adviser, students can turn to any faculty member regarding specific issues.

Such “informal advising” is common and highly encouraged. Faculty are best used when students need counseling on educational and professional career choices or in circumstances when students experience personal difficulties that are affecting their progress in the program.

Office of the Practicum

The Practicum Coordinator, in consultation with the Director of Practicum at the School of Social Work, is responsible for the management of the practicum program, advisement and approval of students for practicum placements, liaison and problem-solving with agencies if there are

difficulties in the placements, and assignment of grades for the practicum courses. The Program’s Practicum Coordinator is Tom Diehm. If you have practicum questions, please call 253.692.5823 or stop by WCG-203J.

Student Services

The MSW Program Adviser and other Social Work Program support staff can assist you with information on registration, course scheduling, graduation requirements and grade issues.

The Social Work Program Office suite is located in WCG 203. Office hours are 9:00 a.m. to 5:00 p.m. on Monday, Wednesday, and Friday, and 9:00 a.m. to 6:00 p.m. on Tuesday and Thursday. During breaks between quarters, office hours are 9:00 a.m. to 5 p.m. The MSW Program Adviser maintains all student records, provides entry codes, student manuals, registration information, and graduation information. If you have any questions regarding your records, enrollment, or MSW Program or University requirements and/or procedures, call 253.692.5820.

A list of other student services, provided by the Office of Enrollment Services, is provided on the last page of this manual. Contact 253.692.4400 for more information.

Registration and Related Academic Information

Registration Procedures

Registration

To maintain graduate status, a student must be enrolled on a full-time, part-time or on-leave basis from the time of first enrollment in the Graduate School until completion of all requirements for the MSW degree. Please refer to the *Leaves of Absence and Withdrawals* section for more information.

Prior to the University's quarterly registration period, students may access registration dates and information on MyUW.

UW Tacoma MSW students will be required to follow the curriculum template for their year of admission and register for required courses accordingly. Social Work Program students may register via MyUW at any point during their eligibility period. All students must register using web registration through MyUW.

WEB Registration: Web registration is available via Student Info - Personal Services on MyUW myuw.washington.edu For Web registration students use their UW NetID and password (i.e., their UW email account name and password) to access their MyUW page.

Students register for classes by using the 5-digit schedule line number. For some courses, the schedule line number and a 5-digit entry code are needed (i.e., Independent Study courses). Read the quarterly MyUW registration information for specific information regarding faculty, courses, times and access to courses with or without entry codes.

For registration problems and information (excluding practicum) please contact the

MSW Program Adviser. Students with disabilities are also asked to contact the Program Adviser for registration assistance if needed.

For problems with practicum courses and credits, please contact the Practicum Coordinator, Tom Diehm at 253.692.5823, tdiehm@u.washington.edu.

Use the Registration Guide online info for deadlines for Registration Periods I-IV, when tuition is due, holidays, final exam schedules and other important information. **It is your responsibility to adhere to the important deadline dates noted in the Registration Guide online.**

Registration Guide information is only available online on the UW Tacoma web site www.tacoma.washington.edu/enrollment/services/registration/reg_guide.cfm

If you are receiving Financial Aid, you should check with the Financial Aid staff in the Office of Enrollment Services to ensure you are registered for the appropriate amount of credits per quarter.

Adding and Dropping Courses

Adding and dropping of Social Work courses are done via Web Registration. The following is a summary of relevant times for adding and dropping courses during a quarter:

- **Week 1 of the quarter:** During the first week of the quarter, you may add and drop classes for any reason. No notation will be made on your transcript.

- **Week 2 - 7:** Any courses added or dropped after the first week of the quarter are subject to a \$20 late fee. If you drop *all* classes after the first week, you will be charged one-half of your quarterly tuition, based on the number of credits for which you were registered at the end of the first week. *After the second week, a notation of “W” will appear on your transcript along with a number representing the week in the quarter when the class is dropped.* Entry codes are required drop.
- **After Week 7:** No official withdrawal will be permitted after the seventh week of the quarter except under extremely unusual circumstances (see Registration Guide for greater detail). Drops from a course accomplished by another method are not official and can result in a grade of 0.0 for the course.

Unrestricted drops are permitted only during the first two weeks of each quarter. Each student will be permitted to drop one course between Week 3 and the end of Week 7 of any one quarter each year (Autumn-Summer Quarters).

Children in Class Policy

While we recognize that many students have childcare needs, we ask that you not bring children to class. Generally, children tend to be disruptive, and often times the subject matter being discussed is not appropriate for them to hear. If you find yourself in a situation where you have no choice but to bring a child or children with you, **you must seek permission from your course instructor prior to class.** If permission is granted, you are responsible for seeing that the child or children are not disruptive. Thank you.

Tuition Deadline

Once registered, a tuition statement will be available on MyUW by the first week of the quarter. Payment of tuition is due in full by Friday of the third week of the quarter. Tuition payment may be made at the UW Tacoma’s Cashier’s Window in MAT-354N or be mailed to PO Box 3981 Seattle, WA 98195 or in person on the Seattle campus, Student Accounts Office, 129 Schmitz Hall. Other payment options may exist. Check with Enrollment Services to find out the latest information. Please note that it is the student’s responsibility to make sure that the Registrar, the Social Work Program Office and the Financial Aid Office have received your updated address information. Address and phone number updates can be made via MyUW, however please notify the Social Work Program office separately of your changes so that we may update your student file appropriately.

Tuition Payments

Please review the list of payment options available to you.

1. Tuition paid in full by the third Friday of the quarter, check, money order, or credit card (service fee applies) payment options are available.
2. Tuition paid by funds awarded through Financial Aid (automatically paid to Student Accounts by Financial Aid Office).
3. Enroll in the Tuition Payment Plan. This plan is designed for students not receiving Financial Aid who wish to make payments over several pay periods. Students must enroll for this option each quarter prior to the first day of the quarter. One third of the tuition plus a \$10 service charge is due by the first day of the quarter. The remaining balance of tuition is due in two equal payments three weeks and six weeks later. Enrollment forms are available at the Cashier's Window in MAT-354N or you may inquire in the Office of Enrollment Services, GWP-102. *The Tuition Payment Plan is available to Tacoma and Bothell campus students only.*

Transfer Credits

Credits may only be transferred for Master's level work from other Council on Social Work Education (CSWE) accredited MSW programs after review of transcripts by the Director and after acceptance to the

UW Tacoma MSW Program. Restrictions apply. Contact the MSW Program Adviser for more information at 253.692.5820.

Exemption/Substitution Definitions

Exemption refers to receiving credit for prior academic work in Foundation courses. Students with approved Foundation course exemptions do not register for additional credits.

Students who receive Exemption credits need not make up these credits. For example, an exemptions may be given when a student has transferred from another CSWE accredited MSW Program.

No course credit or exemptions are granted on the basis of life experience or previous employment.

Substitution refers to using one course in lieu of another. Substitutions are rare. Written approval from the MSW Program Director is required.

Further questions may be directed to the MSW Program Adviser, Terri Simonsen, at 253-692-5822 or hermant@u.washington.edu.

Grading System

In reporting grades for graduate students, units that offer graduate degrees use the system described herein. Grades are entered as numbers, the possible values being 4.0, 3.9, . . . and decreasing by one-tenth until 1.7 is reached. Grades below 1.7 are recorded as 0.0 by the Registrar and do not count toward residency, total credit count, or grade and credit requirements. A minimum of 2.7 is required in each course that is counted toward a graduate degree. A minimum GPA of 3.00 is required for graduation.

The University of Washington, Tacoma Social Work faculty have agreed to use the following point range designated on the grading scale below for all MSW classes.

Numeric grade-point Equivalent	Letter grade	Points	Numeric grade-point Equivalent	Letter grade	Points
4.0	A	100-99	2.8	B-	81
3.9		98-97	2.7		80
3.8	A-	96-95	2.6		79
3.7		94-93	2.5		78
3.6		92-91	2.4	C+	77
3.5		90-89	2.3		76
3.4	B+	88-87	2.2		75
3.3		86	2.1		74
3.2		85	2.0	C	73
3.1		84	1.9		72
3.0	B	83	1.8		71
2.9		82	1.7		70
			1.6-0.0	E	69

Repeating Courses

Graduate students may repeat any course. Both the first and second grades will be included in the cumulative GPA. Subsequent grades will not be included, but will appear on the permanent record. The number of credits earned in the course will apply toward degree requirements only once.

The following letter grades also may be used:

I: Incomplete. An incomplete may be given only when students have been in attendance and have done satisfactory work to within two weeks of the end of the quarter and have furnished proof satisfactory to the instructor that the work cannot be completed because of illness or other circumstances beyond the student's control. Incompletes must be removed by the end of the next quarter in residence; otherwise the student may not proceed in the program. Incompletes in required courses during the foundation year must be converted into passing grades before students may enter the concentration curriculum. In no case may an incomplete be converted into a passing grade after a lapse of two years or more. Incompletes received by graduate students do not automatically convert to a 0.0 but remain a permanent part of their record. At UW Tacoma, the faculty determines the timeline for course completion if an Incomplete grade is issued to a student.

N: No grade. Used only for hyphenated courses and courses numbered 600 (Independent Study or Research), 601 (Internship), 700 (Master's Thesis), 750 (Internship), or 800 (Doctoral Dissertation). An N grade indicates that satisfactory progress is being made, but evaluation depends on completion of the research, thesis, internship, or dissertation, at which time the instructor or supervisory committee chairperson should change the N grade(s) to one reflecting the final evaluation.

S/NS: Satisfactory/not satisfactory. An MSW student may elect to be graded S/NS in any numerically graded course for which he or she is eligible, provided the student completes a minimum of 18 decimal graded

credits. The choice must be indicated no later than the seventh week of the quarter. (As with all registration changes, a \$20 change fee will be charged beginning the second week of the quarter.) Only in very unusual cases may S/NS grades be converted to numeric grades or vice versa. The instructor submits a numeric grade to the Registrar's Office for conversion to S (numeric grades of 2.7 and above) or NS (grades lower than 2.7).

CR: Credit awarded in a course offered on a credit/no-credit basis only or in courses numbered 600 and 700. The minimum performance level required for a *CR* grade is determined, and the grade is awarded directly, by the instructor. *CR* is not computed in GPA calculations.

NC: Credit not awarded in a course offered on a credit/no-credit basis only or in courses numbered 600 and 700. The grade is awarded directly by the instructor and is not included in GPA calculations.

W: *Withdrawal*. Official withdrawal from a course may be done on line through the seventh week of the quarter. During the first two weeks of the quarter no entry is made on the permanent academic record. The third week through the seventh week of the quarter, a *W* is recorded on the transcript. Refer to the Registration Guide information online or Enrollment Services after the

seventh week of the quarter. Drop codes and/or permission or the Social Work Program may be necessary in order to withdraw from courses.

HW: *Hardship Withdrawal*. Grade assigned when a graduate student is allowed a hardship withdrawal from a course after the seventh week of the quarter.

Unofficial withdrawal from a course shall result in a grade of 0.0.

The grades of *W* and *HW* do not count as completed credits nor in computation of the GPA.

X: Indicates that a grade was not submitted by instructor.

Please refer to the section on Graduation Requirements for more details such as the required number of numerically graded credits and minimum grade points.

Academic Standing and Scholarship

Good Academic Standing

In order to be in good academic standing, you must maintain a minimum cumulative University grade point average of 3.00 for all 400- and 500-level graded courses taken after attaining graduate status at the University of Washington. In addition, you must complete and pass all required Social Work classes

with a minimum grade of a 2.7 or higher or “S” or “CR.”

Low Scholarship

Graduate students whose cumulative or quarterly grade point average falls below 3.00, or who fail to earn at least a 2.7 or “S” or “CR” in a required class are considered as low scholarship. Low scholarship may lead

to a change-in-status action by the Graduate School -- i.e., No Action, Warn, Probation, Final Probation, or Drop. If you fall below this standard of academic performance, you will be evaluated individually on a quarterly basis by the Director of the UW Tacoma Social Work Program. Please note that official actions are taken by the Dean of the Graduate School upon recommendation from the Director.

Students who fail a core foundation class may be required to repeat that class before continuing in the foundation curriculum.

The Registrar will record only those actions recommending Probation, Final Probation, and Drop.

To determine satisfactory performance or progress, the following criteria is used:

1. Performance in the fulfillment of degree program requirements;
2. Performance during informal course work and seminars; and
3. Research capability, progress and achievements.

In addition to the grade performance, students with incompletes or “x” grades in the Professional Foundation courses must successfully complete the courses *prior to beginning* the Advanced Curriculum.

Note: Action is taken for one quarter only and is reviewed each quarter. No action will appear on the transcript for any subsequent quarter unless a recommendation is made by the MSW Program to the Dean of the Graduate School.

Appeals

Students may appeal change in status directly to the Program Director. Appeals beyond this point should follow the process outlined in the “Standards of Conduct and Grievance Procedures” section of the manual.

Further details, including guidelines for change of status actions may be found in Graduate School Memorandum No. 16 -- “Continuation or Termination of Students in the Graduate School”. It may be accessed through the Graduate School Home Page at www.grad.washington.edu/index.html

Leaves of Absence and Withdrawals

If you find it necessary to interrupt registration, you may apply for “leave of absence” or withdrawal from the University, described below. We strongly suggest that you consult with your faculty or program adviser and/or the Program Director in making this decision.

Leaves of Absence

If you are *in good standing* (cumulative GPA of 3.00 or higher) and you plan to be away from the University and out of contact with the University faculty and facilities for at least one quarter, not to exceed four successive quarters, you must apply for “on-leave” student status. You must also meet the following requirements:

- You must submit a petition for on-leave status to the Graduate Program

Coordinator. Please contact the MSW Program Adviser to obtain the appropriate form and procedure.

- You must have completed at least one quarter of work (in good standing) at the University prior to going on-leave.

While on on-leave status, you are permitted to use the University Library, but are not granted any of the other University privileges of a regularly enrolled or registered student. You pay a non-refundable fee to obtain on-leave status. This fee covers those academic quarters for which you have requested on-leave status.

An on-leave student returning to the University on or before the termination of the period of his or her leave must register via MyUW for the required quarterly classes

in their curriculum template. This registration cancels any remaining leave period. On-leave quarters count toward the 6

year time limit to complete the MSW degree.

Withdrawal from the University

If you interrupt your registration for an undetermined period of time, you are considered to be withdrawn. A student previously registered in the MSW Program who has withdrawn and/or failed to maintain continuous enrollment, but who wishes later to resume his or her

studies must submit a written request seeking readmission, meet with the Program Director and reapply to both the Graduate School and the MSW Program. For timelines, fees and tuition forfeiture on withdrawing, a student should consult the Registration Guide information online or the MSW Program Adviser.

Financial Assistance

Students wanting information on their financial aid can check their accounts during the year through MyUW Tuition Statement. If there appears to be "holds", contact the Financial Aid Office, 253.692.4400 for assistance.

The MSW Program requires all students who wish to be considered for any type of financial assistance to complete the Free Application for Federal Student Aid (FAFSA). The closing date to submit a completed FAFSA is typically February 15. However, students should contact the Office of Enrollment Services, at 253.692.4400, for the most current and accurate information since deadlines are subject to change. The Office of Enrollment Services has the FAFSA forms available, and the financial aid staff can assist students with work-study questions, student loan information, and emergency loans. In addition, UW Tacoma scholarships are frequently posted on the bulletin board across from GWP-102 and on

the UW Tacoma web site at www.tacoma.washington.edu/enrollment/services/admissions/finaid/. Students are encouraged to seek these services and information, which can make the financial aspects of attending the graduate program less burdensome.

Summer financial aid recipients may need to fill out a supplemental Financial Aid Form prior to the beginning of summer quarter in addition to completing the FAFSA for that academic year. **If you plan to receive financial aid during summer quarter, you should consult with a Financial Aid Adviser.**

Contact a Financial Aid Adviser in the Office of Enrollment Services for more information on the Tuition Payment Plan available each quarter to students not receiving Financial Aid, at 253.692-4400.

Inclement Weather Policy

In the event of inclement weather, please note the following steps for determining whether the campus is open, if your class will be held as scheduled, and/or the handling of assignments:

1. **CALL THE SNOW #: 253-383-INFO.**
This number will inform you on whether the campus has been closed.
2. **CALL YOUR PROFESSOR'S OFFICE NUMBER.** This number will inform you on whether the class will be held or not, and/or the status of pending assignments. Individual professors will determine how final exams, papers, etc. will be submitted.
3. **CALL THE PROGRAM OFFICE NUMBER: 253.692.5820.** This number is to be used only after trying the first two numbers, or if you are unable to ascertain the status of whether your class(es) will be held, and/or you have a part-time instructor who does not have an office phone or contact number.

NOTE: It is important to remember that safety should always be considered when deciding whether it is advisable to attend class(es) or not during periods of inclement weather.

Your Address - Please Keep It Current

It is critical that you keep your local address and telephone number updated with the Program **AND** the University (Office of the

Registrar, located in Enrollment Services, GWP-102). Without a current local address and telephone number, you may not receive

periodic mailings or be contacted by the administration, faculty, or other campus staff.

You can update your address and telephone number with the University via MyUW, or

by contacting Enrollment Services at 253.692.4400. In addition, please contact the Social Work Program Office at 253.692.5820 or email tsocial@u.washington.edu with any changes to so that we may update our records.

Release of Information from Student Files

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your educational records. However, the following information is considered public or “directory” information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, major field of studies, dates of attendance, degrees and awards received, full-or part-time enrollment status, and educational institutions attended.

If you do not wish to authorize directory release and do not want your directory information to appear in the published or electronic Student Directory, you must restrict access through MyUW. No information will be released on students that have restricted release of directory information including degrees awarded and dates of attendance. If you later wish to change your authorization and allow release, you must go to Enrollment Services, GWP-102 and present photo identification.

The Program may routinely release the information noted above if you have not restricted your release through the Registrar.

If you need a hardcopy of your official UW transcript in the future, please fill out a Transcript Order form in the Office of Enrollment Services or at the Cashier’s Window. A processing fee will apply.

If you want prospective employers or schools to have any of the information noted earlier, then there can be no “holds” on your degree (for example, because a library payment is unpaid, etc.).

If you choose not to give the releases to the University of Washington and/or the MSW Program, you should remember to change the release with the Registrar or provide the Program with separate releases any time you use the University of Washington, or the Program, or its faculty for reference purposes.

Retaining Your Course Syllabi

It is strongly recommended that you begin your social work career by maintaining a file or notebook of all course descriptions and syllabi for courses you take including practicum contracts and evaluations. You will find this very helpful in the future if you decide to apply for certification in a specialized area or if the state in which you practice requires this information. The University's official transcript shows some

generic titles for Social Work courses. Thus, the generic titles do not necessarily reflect the specific title or content of all of your courses, which makes it important for you to keep the course syllabi reflecting the course number and content.

You can save yourself time (and lost opportunity) if you begin this kind of record keeping now.

Graduation Requirements, Checklist and Ceremony

Graduate School Requirements

Each Master's student must meet the following Graduate School requirements. (Please see the Graduate Section in the UW or UW Tacoma Catalog for detailed information.)

Minimum Requirements: A minimum of 36 quarter credits of graduate course work, 18 of which must be for work numbered 500 or higher.

Numerical grades must be received in at least 18 quarter credits of course work taken at the University of Washington; a minimum grade-point average of 3.0 is required to graduate **and** a minimum grade of 2.7 must be earned in all courses counting for the degree.

- ◆ **Residence Requirement:** The residence requirement for the master's degree is 30 credits completed at the University of Washington, Tacoma. *(Note: all MSW concentration curriculum must be completed in the UW Tacoma Social Work Program.)*
- ◆ **Application to Graduate:** Graduate students **must** apply for the master's degree **no later than the end of the seventh week** of the quarter in which he or she expects to graduate. Students apply on-line:
www.grad.washington.edu/stsv/mastapp.htm. You will be notified of the Graduation Clearance Procedures in place by the Social Work Program in advance. *Please check with the*

*Program Adviser and Administrator for more specific information. Meetings with your faculty adviser and program adviser are required before filing the application for graduation. The graduate student **must be registered** either as a full- or part-time student (minimum of 2 credits) at the University for the quarter in which the requirements are met **and** the degree is conferred. To graduate in any quarter, students must complete all requirements for the degree **by the last day of final examinations for that quarter.***

Application for the master's degree is solely the responsibility of the student.

The Graduate School does not allow any student to apply to graduate after the ninth week of the quarter (late fees apply after week seven). No exceptions are made to this policy.

- ◆ **Postponement of graduation:** Applications to graduate are valid for one quarter only. If you do not complete degree requirements during the quarter you apply for graduation, you must complete another degree request for the quarter in which you expect to complete requirements after meeting with your faculty adviser and program adviser.

Graduation Requirements for the School of Social Work and the UW Tacoma MSW Program

Minimum Requirements: Along with the other Graduate School requirements, all required courses must be completed with a passing grade (2.7 or higher OR Satisfactory OR Credit).

If you do not pass a required course, the course must be repeated. Another course may be substituted for a failed selective course. Students electing to take a course on a Satisfactory/Not Satisfactory (S/NS) basis must earn at least a 2.7 GPA in order to receive a grade of “Satisfactory.” Students who have been exempted from a required course do not have to take another course to replace it.

The UW Tacoma MSW Program requires the successful completion of an approved human biology course taken within the most recent 10 years prior to matriculation in the UW Tacoma MSW Program. In very rare circumstances, some exceptions are made if a student enrolls in an approved human biology course that will not be completed until a week or two into autumn quarter. Exceptions such as this are granted through the Program Adviser and Administrator. Please contact the Program office if you have not submitted official transcripts or have not met this requirement. Completion of the human biology course requirement must be verified by supplying official documentation. A passing grade of a C or 2.0 must be documented.

The UW Tacoma MSW Program also requires the successful completion of a basic statistics course (in any discipline) prior to matriculation in the MSW Program. Credit will be given for the successful completion of a statistics

course taken within the last five years. Statistics credit may not be applied to the MSW degree. Official transcripts/documentation must be supplied. A passing grade of a C or 2.0 must be documented.

- ◆ **Related Credit Information:** The UW Tacoma Program allows each student to determine which courses are taken to fulfill the 18 numerically graded required credits. The following courses are graded on a credit/no credit basis and may not be used for the 18 credits: Cultural Diversity and Societal Justice (T SOCW 504), Introduction to Practicum (T SOCW 523), Foundation and Advanced Practicum (*T SOCW 524* and *T SOCW 525*), Readings in Social Work (T SOCW 599) and some selectives (indicated by CR/NC in registration guide). *Some students may need to take additional courses beyond the minimum requirements to fulfill this requirement.*
- ◆ Students are expected to use the “Graduation Checklist” in order to track degree progress. By using the list on a quarterly basis, students can easily determine progress for completing the degree.

Graduation Requirements Checklist – 3 Year MSW Program

- Students may take any of the courses indicated below by a “*” with a Satisfactory/Nonsatisfactory grading option instead of a numerical grade.
- In order to graduate, **18 of the required credits** must be graded numerically.
- Numerical grades of less than 2.7 or grades of NS or NC do not count toward the degree.
- Successful completion of coursework in human biology and statistics is required for graduation but is not counted in the credits needed for the degree. (*Verified at time of admission.*)
- All students must apply for graduation on line by the seventh week of their last quarter. Students must be enrolled for at least 2 credits the quarter they intend to graduate. Consult with the Program Adviser and Administrator regarding procedures. Clearance from your Faculty Adviser, Program Adviser and the Practicum Coordinator will be required.

Graduation Ceremony

University of Washington Tacoma

Commencement Ceremony: The University of Washington Tacoma holds a Commencement ceremony for all UW Tacoma graduates, including MSW Program students. Information, including tickets for guests (if required), is provided after students have officially applied for graduation. A cap, hood and gown are required for this ceremony. UW Tacoma graduation ceremonies are coordinated by the UW Tacoma Office of Advancement, to which students may address inquiries.

Information about graduation is distributed via e-mail and the UW Tacoma web site. Students who are graduating have the

responsibility to check email or the web and acquire this information and contact the Social Work Program office if they have questions.

Caps and gowns: Caps and gowns are reserved on campus. All degree applicants will receive information about ordering academic apparel. Announcements will be made via e-mail during spring quarter.

Diplomas: These are mailed to students about 4-5 months after graduation. In the meantime, if an employer requests verification of graduation, either the MSW Program can provide a letter or you may contact the Registrar at 253.692.4400.

Computing, Web Page and Electronic Communication

MyUW and UWNetID

MyUW (www.myuw.washington.edu):

MyUW is your web portal to University of Washington information, UW email, and personal services (includes web registration, checking your grades, tuition statement, and other personal information). MyUW is an easy-to-use tool for finding the resources you need to fulfill your goals at the university. You can "personalize" it to fit your needs by including or excluding the services you see listed, adding bookmarks to your favorite links, and choosing the background and accent colors you prefer.

A **UWNetID** (with password) is required to access your personal services, web registration, and UW email. For security, your UWNetID and password and all functions of MyUW that contain sensitive information are encrypted before they are transmitted across the network.

MyUW includes links to the UW Library catalog, reference tools such as an encyclopedia and a dictionary, a calendar of campus events, a continuously updated *General Catalog*, the UW student directory, a scholarship directory and the academic calendar (deadlines for adding or dropping courses, registration dates). The last item is particularly useful because it includes the minute-to-minute enrollment status of courses -- so that during registration for the next quarter, for example, you can check classes to see if they are open *before* you register. With the exception of access to your personal information and web registration, you may also access many of these resources through the UW's website (www.washington.edu) or UW Tacoma's website (www.tacoma.washington.edu.) **A UW NetID will be required to complete your graduation application on line.**

Social Work Program Web Page

The UW Tacoma Social Work Program web site can be accessed at www.tacoma.washington.edu/social.

The web site provides program and course information as well as news and updates pertaining to the Social Work Program, academic and practicum program manuals and required forms are all readily available on our web site. Links to social welfare related web sites are also provided. You may access the School or Program website from computers anywhere in the world, as long as they have an Internet connection.

Note: The information is subject to change since various documents, such as quarterly registration materials, are added to these menus throughout the year.

Computer Access

The University of Washington Tacoma houses its own Computer Labs in the Walsh and Gardner Building, Room WG-108 and the Cherry Parkes Building, Room CP-005, where students have free access to IBM compatible computers and laser printers running a variety of Windows software, including Word and Excel. A number of other software packages, including

electronic mail and statistical analyses are also available as well as an Access station for users with special needs. (For Macintosh users, the Computer Lab houses three Macs and one IMAC.) Tutorials and training are available that assist with learning how to use the different computer software. For further information, please call the Computer Lab at 253.692.5611.

Electronic Mail Account and Electronic Communications

As a student of the University of Washington, you are provided with an email account at no charge. For details on how to create your UW email account, visit www.washington.edu/computing/email. Typically, students set up a UW email account at the time they establish a UW NetID. If you need assistance creating your account, visit a UW Tacoma computer lab in WG-108 or CP-005 and a staff member can assist you.

All Social Work students are required to maintain a UW email account, be subscribed to the official UW Tacoma MSW listserv, and check their email at least twice each week. The MSW Program uses email as the major means to distribute important information about school programs, class information, deadlines, and other announcements.

Note: All MSW students are automatically subscribed to the UW Tacoma MSW listserv prior to the start of Autumn Quarter.

uwtmsw@u.washington.edu:
social work program info line

Computing Rules at the UW

The following is excerpted from the UW website:

www.washington.edu/computing/rules/guidelines.html

Email Guidelines: Your use of email must meet the same common sense standards you would apply to your use of campus telephones and campus mail. Further, your use must not interfere with the operation of the computers and networks or with the work of others.

- DO NOT send email to someone who has requested that you not do so.
- DO NOT send frivolous or excessive messages, either locally or off campus.
- DO NOT create, send, or forward chain letters (messages that are forwarded many times to people who have not solicited the information).
- DO NOT flood another system, network, or user account with email.
- DO NOT send email to someone you do not know, just because you see them logged in or like their name.

- DO NOT send email to individuals or groups who you could not reasonably expect to welcome email from you. If you have any doubt, ask their permission before adding them to any list.
- DO NOT obscure the true identity of the sender of email or forge email messages.
- It is your responsibility to determine the purpose of an electronic mail list (e.g., a LISTPROC or LISTSERV) before subscribing or sending messages to the list. Persons subscribing to an email list will be viewed as having solicited any material delivered by the list, as long as that material is consistent with the purpose of the list.
- DO NOT send to an email list any materials that are not consistent with the purpose of the list. If you send messages not relevant to the purpose of the list, you will be viewed as having sent unsolicited email.
- DO NOT continue to send email to a list if the list owner has requested that you stop sending to the list because you are not following the guidelines or topic established for the list.
- DO NOT harvest email addresses from another email list in order to establish your own list. If a list is closely related to a subject you would like to initiate, it is permissible to post a message to the existing group, inviting people to subscribe to your list.
- DO NOT harvest email addresses from an institution's directory or through the use of tools such as finger.
- DO NOT subscribe anyone to an email list except with the individual's permission.

Please refer to the following website for detailed rules on email and computer usage at the UW:

www.washington.edu/computing/rules.html

UW Tacoma Faculty / Staff / Student Email Policy

The following policy statements concern the conditions under which faculty, staff, and students are expected to use the University of Washington email system. They do not prevent faculty, staff, or students from also using that system for other purposes, e.g., limited private use. These policies have been recommended by the All Directors group and approved by the UW Tacoma Vice Chancellor for Academic Affairs.

- Faculty and staff are expected to use their UW NetID email accounts to disseminate information to students and communicate with their colleagues and students on internal business.
- NetID accounts are created for students upon admission to the university; and students are required to activate their email addresses for their NetID accounts before the first day of classes.
- Faculty and staff will use only the University of Washington student email system to communicate information relating to coursework, policies, event announcements, etc.
- Faculty and staff are not obligated to respond to students using non-UW email accounts.
- Students may be held accountable for any information contained within the official email communications, including

instructor notices of changes in schedules and assignments.

Although students may configure their UW emails to automatically forward to another email account, they should be advised that some email systems may be unable to handle large email files and may block delivery of UW email attachments.

Personal Computers

Many students have their own computers. If you do, you may want to connect your computer to the UW mainframe computers. You will need a personal computer (Macintosh or PC), a modem, communications software and a telephone line.

You may want to purchase a University of Washington Internet Connectivity Kit (UWICK) cd at the University Bookstore. This cd has an automated software installation program on it, which will install all of the communications programs you need to connect to UW computers from home.

A handout with instructions for connecting from home is also available at the computer lab. For further information, you can also check out the UW's website at: www.washington.edu/computing/software/uwick/

For UW students there is no charge for using the University computers over a modem if you are within the local telephone calling area, which in this case extends from Everett to Tacoma. If your call to the University computers is long-distance, you will be charged regular long-distance rates.

Resource Guide Summary

Campus Resources

Office of Student Life

The Office of Student Life promotes and encourages students to get involved in student organizations and/or student government, MAT-108, 253.692.4481.

The following is a sample of UW Tacoma student organizations. For more information, please contact Student Life at 253.692.4481.

- [Voices for Planned Parenthood \(VOX\)](#) 🌐

Associated Student of UW Tacoma (ASUWT)

ASUWT represents student interests, needs, and welfare within the University community, and provides for the expression of student opinion and interests to the community at large. Team ASUWT also assists the University in providing a physical and social environment in which to achieve the educational and multicultural standards set forth by the University.

Childcare Assistance Program

We know how hard it can be to find quality childcare while you are in school. That is why your Student Life Office, along with ASUWT and funding from Student Services and Activities Fees has brought UW-Tacoma's students a childcare assistance program to help with ever rising childcare costs. For more information contact Bob Hardie, Childcare Assistance Program (CAP) Coordinator, at 253-692-4481 or email uwtlife@u.washington.edu.

Disability Support Services (DSS)

DSS provides assistance for permanent or temporary disabilities. For more

information, please contact Lisa Tice, Counselor, Disability Support Services, MAT-206, 253.692.4493 or TDD 253.692.4501.

Student Counseling Center

Counseling is available for all UW Tacoma students. For more information, please contact the Student Counseling Center, MAT-206, or 253.692.4405.

Student Centers

The UW Tacoma Student Center, dubbed the “oUWTpost,” opened in 2004 and is available to students during regular campus hours. Located in the Mattress Factory, the oUWTpost houses vending machines, pool tables, air hockey, and other entertainment options.

The Longshoreman’s Hall is another student gathering place and is located at 1710 Market St., offering basketball courts, sports equipment checkout, computer gaming room, study and meeting areas for students and student organizations.

Diversity Resource Center

The University of Washington Tacoma opened its Diversity Resource Center (DRC) in Autumn Quarter 2005. The Center offers materials on diversity issues and coordinates campus events related to diversity in the campus community. The center is open Mondays and Wednesdays between 9 a.m. - 6 p.m. during Summer Quarter.

For more information about the DRC, contact, Diversity Resource Center Coordinator, at (253) 692-4776 or divrescn@u.washington.edu.

UW Tacoma Safety & Security Escorts

The UW Tacoma Safety and Security Office is concerned for the safety of everyone on

campus. Services include safety escorts, and vehicle lockout assistance. For your safety, the University of Washington Tacoma encourages students, faculty, staff, and visitors to use the Campus Safety Escort Program. The service operates Monday through Thursday from 5:00pm to 10:30pm, except holidays, Breaks and Summer quarter. The program is staffed with contracted security personnel. This service is free of charge to anyone who requests it. Dial #300 or #333 from any campus phone to request an escort.

The new UWT Campus Fitness Center features state-of-the-art equipment and a fun, friendly and energetic atmosphere for all users!

Fitness Center

The UW Tacoma Campus Fitness Center staff is committed to providing an open, friendly, diverse and ADA accessible environment for people to engage in fitness activities. Located on the ground floor of WCG, we will provide a safe, clean and energetic workout environment for all Campus Fitness Center users.

Additional Resources

To learn about additional campus resources, refer to your UW Tacoma Student Planner, visit the UW Tacoma website, or contact your MSW Program Adviser.

Funding Sources on the Internet

The UW Graduate School web page provides links to general funding information.

Website: www.grad.washington.edu/fellow/hotlist.htm

Note: Many sources of funding are limited to full-time students only. As a UW Tacoma MSW student you will be enrolled part-time. Be certain to look at the criteria carefully when researching funding opportunities.

UW Tacoma Scholarship Opportunities

Watch for campus announcements regarding UW Tacoma scholarships to offset the cost of tuition. To view current postings and download application forms, visit www.tacoma.washington.edu/enrollmentservices/admissions/finaid/scholarships

Grants & Funding Services for UW Graduate Students (GFIS)

Cooperative Project of the Graduate School and University of Washington Libraries to support UW graduate students who are seeking any type of general or research funding.

(206) 616-3084, gfis@u.washington.edu
Website: www.lib.washington.edu/Gfis/

Opportunities For Involvement

Advisory Council

The UW Tacoma Social Work Program Advisory Council meets 2-3 times per academic year. Membership includes, Social Work Program faculty, staff, students, practicum field supervisors and community members. The Advisory Council provides input to strengthen curriculum development, develop program goals and objectives for learning and other related areas. If you would like to get involved, please contact the program Director.

Student Social Work Organization

The Student Social Work Organization (SSWO) is one of the most active organizations on campus, winning the UW Tacoma Outstanding Student Organization of the Year in 2003-2004, and again in 2005-06!

The SSWO's mission is to "empower individuals, groups and communities towards social change by listening, advocating for social justice and serving our community with competence and integrity."

Visit the SSWO's website for more upcoming meeting dates and information on how you can join the organization.
www.tacoma.washington.edu/student_affairs/life/Student_Orgs/Student_Social_Work_Organization.cfm

Social Welfare Action Alliance

National organization of social workers, carrying on a tradition of progressive, activist social work. Student memberships and journal subscription available.
 National Co-chair: Marilyn Moch, 206-324-3063, email mochcihri@aol.com.
 Membership Contact: SWAA, Columbus Circle Station, P.O. Box 20563, New York, NY 10023. Website: www.swaaction.org.

National Association of Social Workers (NASW)

Only national organization serving needs of social work profession. Offers a wide range of professional services, benefits, and opportunities. Reduced rates for students, by degree level.

State chapter: 522 N 85th St. Suite B100, Seattle, WA 98103, 206-706-7084,
 email: info@nasw-wa.org
 Chapter Website: www.nasw-wa.org/

Employment Information

Career Development Center

Mattress Factory Building, Room MAT-106
253.692.4421

The Career Development Center (CDC) provides a number of services to UW Tacoma students including: career and internship planning, job search and networking strategies, resume development, and interviewing. In addition, the CDC maintains job and internship listings, employer information, a career library and a variety of career handouts. The CDC also sponsors an annual career fair and provides career assessment services.

Appointments with a Career Peer Advisor can be made by calling 253.692.4421, or emailing tcareer@u.washington.edu.

Note: The Social Work Program bulletin board and uwtmsw listserv will occasionally post employment or volunteer opportunities for interested individuals to view.

Additional Educational Opportunities

Social Work Continuing Education

Offers a year-round schedule of non-credit professional development programs.
Contact the UW Extension for information.
UW Extension at 5001 25th Ave. N.E., 206-543-2310, swce@u.washington.edu or visit their web site at:
www.extension.washington.edu/ext/certificates/ssw/ssw_gen.asp

Key Bank Professional Development Center

The mission of the **KeyBank Professional Development Center** is to expand access to the resources of the University of Washington, Tacoma by offering advanced, non-degree education to individuals and organizations in the South Puget Sound region. As a self-sustaining unit, the Center offers an array of seminars, workshops and courses to enhance the knowledge and skills of community members.

Child Welfare Training and Advancement Program (Title IV-E)

The Child Welfare Training and Advancement Program (CWTAP) is a federally funded stipend program for students interested in obtaining a Master of Social Work degree and in making a career commitment to public child welfare practice. Contact CWTAP at 253.692.4530 for more information.

Standards of Conduct and Grievance Procedures

UW Student Conduct Code

The following is an abbreviated version. The complete code is available from the Office of the Vice President for Student Affairs, Schmitz 476, or the Washington Administrative Code, Chapter 478-120 (in the UW Tacoma Library).

Admission to the University carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic goals and the welfare of the academic community. That responsibility includes, but is not limited to:

- academic and professional honesty and integrity,
- refraining from actions which would interfere with University functions or endanger the health, safety, or welfare of others, and
- complying with the rules and regulations of the University and its units.

Specific instances of misconduct on campus include, but are not limited to:

- intentionally and substantially disrupting teaching
- physical abuse or threat of harm
- sexual offenses, such as rape, sexual assault or harassment
- malicious damage to or misuse of property
- refusal to comply with lawful order to leave the campus
- possession or use of firearms, explosives, dangerous chemicals, or other dangerous weapons (excluding legal defense sprays)
- unlawful possession, use, distribution, or manufacture of alcohol or controlled substances
- inciting others to engage in unlawful activity.

Violations of these standards may result in a variety of disciplinary actions, including suspension or permanent dismissal from the University.

Academic Performance and Conduct, Which May Result in a Review and Possible Dismissal from the UW Tacoma MSW Program

Students may be terminated from the School of Social Work for any of the following:

1. Failure to meet or maintain academic standards as established by the University and the School of Social

Work and the UW Tacoma MSW Program in Tacoma. (This is automatic and may take place without a review or further procedure.)

2. Academic cheating, lying, or plagiarism.

3. Behavior judged to be in violation of the NASW Code of Ethics (available at <http://www.naswdc.org> on the World Wide Web) or unprofessional conduct as specified by RCW 18.130.180 Unprofessional Conduct, Regulation of Health Professions-Uniform Disciplinary Act, Revised Code of Washington.*
 4. Documented evidence of conviction of a criminal act occurring during the course of study, or which occurred prior to admission to the UW Tacoma MSW Program and became known after admission.
 5. Failure to meet the Standards for Essential Abilities and Attributes for Admission and Continuance in the UW Tacoma MSW Program.
- * The NASW Code of Ethics is published in the *Encyclopedia of Social Work*, Vol. 3, Appendix 1, available in the SW and UW Tacoma Libraries. The most recent RCW 18.130.180 is published in the *Revised Code of Washington*, available in the Law Library or in the Government Publications section of Suzzallo, Allen and UW Tacoma Library.

Standards for Essential Abilities and Attributes for Admission and Continuance in the MSW Program

Essential Abilities and Attributes for Admission to and Continuance in the School of Social Work and the Alternative MSW Program, distinguished from academic standards, describe the physical, cognitive, emotional and character requirements to provide reasonable assurance that students can complete the entire course of study and participate fully in all aspects of social work education and the practice of social work.

Acquisition of competence as a social worker is a lengthy and complex process that will be subverted by significant limitations of the student's ability to participate in the full spectrum of the experiences and the requirements of the curriculum.

Students in the MSW Program at the University of Washington, Tacoma are expected to possess the following abilities and attributes at a level appropriate to their year in the program. They are expected to meet these standards in the classroom, in their practica and elsewhere. Attention to these standards will be part of evaluations made by faculty responsible for evaluating applications for admission and faculty

responsible for evaluating students' classroom and practicum performance.

Motor Abilities. The social work student must have sufficient motor abilities to attend class and practicum placement with or without technical accommodation. Reasonable accommodation through technology for limitations in motor abilities will be allowed. The Disability Support Services office may be consulted regarding reasonable accommodations.

Sensory Abilities. The social work student must have the ability through his/her senses to participate in classes and practicum placement. The student must acquire and integrate data through use of their senses with or without technical accommodation. Reasonable accommodation through technology for limitations in sensory abilities will be allowed. The Disability Support Services office may be consulted regarding reasonable accommodations.

Communication Skills. The social work student must communicate effectively and sensitively with other students, faculty, staff, clients and other professionals. They must

express their ideas and feelings clearly and demonstrate a willingness and ability to listen to others. They must have sufficient skills in spoken and written English to understand the content presented in the program.

Self-awareness. The social work student must know how his/her values, attitudes, beliefs, emotions and past experiences affect his/her thinking, behavior and relationships. The student must be willing to examine and change his/her behavior when it interferes with his/her working with clients and other professionals; and must be able to work effectively with others in subordinate positions as well as with those in authority.

Professional Commitment. The social work student must have a strong commitment to the goals of social work and to the ethical standards of the profession. The student must be committed to the essential values of social work, which are the dignity, and worth of every individual and his/her right to a just share of the society's resources.

Knowledge Base for Social Work Practice. The professional activities of social work students must be grounded in relevant social, behavioral and biological science knowledge and research. This includes knowledge and skills in relationship building, data gathering, assessment, interventions and evaluation of practice.

Objectivity. The social work student must be objective enough to systematically evaluate clients and their situations in an unbiased, factual way.

Empathy. The social work student must endeavor to seek to comprehend another individual's way of life and values. He/she must be able to communicate this empathy and support to the client as a basis for a productive professional relationship.

Energy. The social work student must be resistant to the undesirable effects of stress and avoid burnout by exercising appropriate

self-care and developing cooperative and facilitative relationships with colleagues and peers.

Acceptance of Diversity. The social work student must appreciate the value of human diversity. He/she must serve in an appropriate manner all persons in need of assistance, regardless of the person's age, class, race, religious affiliation (or lack of), gender, disability, sexual orientation and/or value system. Social work students must not impose their own personal, religious, sexual, and/or cultural values on their clients.

Interpersonal Skills. The social work student must demonstrate the interpersonal skills needed to relate effectively to other students, faculty, staff, clients and other professionals. These include compassion, altruism, integrity and the demonstration of respect for, and consideration of others.

Professional Behavior. The social work student must behave professionally by knowing and practicing within the scope of social work, respecting others, being punctual and dependable, prioritizing responsibilities and completing assignments on time.

Resolution of Grievances

There are two different avenues to redress a grievance, depending on whether the grievance is academic (including practicum) or related to discrimination or unfair treatment. **The UW Tacoma MSW Program as well as the University encourage the resolution of grievances at the lowest level. In addition, although the process will generally be followed in the order described below, no one phase in the process is required before another may be utilized.** If resolution of a grievance does not occur at a particular level, the appropriate referrals can be identified and discussed. It is against University policy to penalize or retaliate against any party for participation in grievance resolution.

Contact information for the parties mentioned in this section are listed at the end.

Academic grievance

An academic grievance may be resolved by discussing the issue with the faculty member concerned, secondly with your faculty adviser, thirdly with the Ombudsman and fourthly with the Director. For academic issues within practicum, resolution may be sought by discussion with the Practicum Instructor or Liaison; secondly with the Practicum Coordinator; and thirdly with the Ombudsman; and fourthly with the Director.

The Director of the MSW Program may refer an academic grievance to Review Committee (described in the pages that follow this section) or an appropriate University office.

Graduate School academic grievance procedure: Having exhausted the avenues for resolution within the MSW Program, a graduate student with a complaint of unfair treatment involving academic policies may approach the Graduate School. If resolution

is not reached through informal conciliation by the Graduate School, the student may file a formal complaint seeking resolution by the Graduate School Academic Grievance Committee. (*For complete procedural details, refer to the Graduate School Memorandum No. 33, on reserve in the UW Tacoma Library.*)

Discrimination/unfair treatment grievance

Students and employees of the University are protected by the University's equal opportunity policies (see the following section). If you believe that you have been discriminated against or unfairly treated — on the basis of race, color, creed, religion, national origin, sex, sexual or political orientation, age, marital status, disability, or disabled-veteran or Vietnam-era-veteran status — procedures exist within the MSW Program and the University for the resolution of such a grievance. Students also have access to the complaint procedures in state and federal agencies as allowed by law. Be aware that there may be time limitations on the filing of a formal complaint with an external agency.

Within the UW Tacoma MSW Program: Discuss the issue and seek resolution with the individual involved. If it is unresolved, a faculty adviser or a faculty member would be another person with whom to discuss the issue and obtain guidance. For issues involving practicum, first discuss the matter with the Practicum Instructor, and then the Practicum Coordinator. The issue can be discussed with the Program Director, and if unresolved, with the Vice Chancellor for Academic Affairs.

When you discuss a complaint with any of the individuals named above, you can expect confidentiality. If, however, your complaint is about sexual harassment, the individual to whom you reported the complaint is legally

obligated to report your complaint to the University. (The student can decide whether or not to follow up with the University representative.)

Within the University: Resolution of discrimination or unfair treatment complaints may be sought through the University Ombudsman, and then either through the Office of the Vice President for Student Affairs or the University Complaint Investigation & Resolution Office (UCIRO)—depending on whether the complaint is about a student or a university employee. Complaints about students are directed to the Vice President for Student Affairs; complaints about University employees (which includes faculty) are directed to UCIRO. (The UCIRO may refer you to a more appropriate University office.) At these offices, resolution may be sought through informal conciliation or a formal complaint procedure.

The University Ombudsman uses education, consultation, conciliation, or mediation to reach a mutually satisfactory resolution of a dispute, or if a resolution does not occur, can identify and discuss appropriate referral options.

UW Equal Opportunity Statement

For the complete legal statement, refer to the U of W Operations Manual, Vol. 2, D46.4 (available in the UW Tacoma Library).

The University of Washington reaffirms its policy of equal opportunity regardless to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University of Washington policy and applicable federal and state statutes and regulations.

In addition to adhering to the University of Washington Equal Opportunity Statement, the MSW Program provides equal opportunity in education without regard to political orientation.

University of Washington Policy Against Discrimination

The University of Washington, as a standing policy, does not discriminate on the basis of

race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam-era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities, including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in Employment Act Amendments of 1978, Vietnam-Era Veterans' Readjustment Assistance Act of 1974, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, Room 126, Brooklyn Building, 4045 Brooklyn Avenue N.E., Seattle, Washington 98105-6021, telephone (206) 543-1830.

Reasonable Accommodation Statement

The University of Washington is committed to providing access, equal opportunity and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities.

For information or to request disability accommodation contact: Disability Support Services at 253.692.4493, TDD 253.692.4413 or e-mail at ltice@u.washington.edu.

MSW Program Review Committee

The MSW Program Review Committee is charged with the responsibility to investigate and decide on matters related to students'

academic and practicum performance problems, including the failure to meet the Standards for Essential Abilities and

Attributes for Admission and Continuance in the MSW Program and the items listed in “Academic Performance and Conduct Which May Result in a Review and Possible Dismissal from the MSW Program.” The Committee is charged with keeping the Program’s policies and procedures current and recommending to the faculty any changes that may become necessary. The Social Work Program’s Review Committee is a body of faculty who are

available to mediate conflicts between and among students, faculty, and staff that cannot be resolved by those directly involved in the controversy. Students, faculty or staff may request to convene a Review Committee meeting by completing the form available at www.tacoma.washington.edu/social/resources/student_resources_msw.cfm.

UW Policy Prohibiting Sexual Harassment

For complete policy details, please refer to Executive Order No. 31 of the President, Revised July 1998, U of W Handbook (www.washington.edu/facsenate/handbook/Volume4.html).

Discrimination on the basis of "sex" includes sexual harassment, which means: (1) unwelcome sexual advances or requests for sexual favors by a person who has authority over the recipient when (a) submission to such conduct is made either an implicit or explicit condition of the individual's employment, academic status, or ability to use University facilities and services, or (b) submission to or rejection of the conduct is used as the basis for a decision that affects tangible aspects of the individual's employment, academic status, or use of University facilities; or (2) unwelcome and unsolicited language or conduct by a member of the University community that is of a sexual nature or is based on the recipient's sex and that is sufficiently offensive or pervasive that it could reasonably be expected to create an intimidating, hostile, or offensive University environment.

University policy prohibits all forms of sexual harassment. For resolution of a sexual harassment complaint, please refer to the previous section titled “Resolution of Grievances,” which includes the contact information for the University Ombudsman for Sexual Harassment.

UW Policy on HIV

For complete policy details, please refer to Executive Order No. 60 of the President, Revised September 24, 1996, University Handbook, Vol. IV-59d (available in the UW Tacoma Library).

The University makes available to eligible persons information and appropriate clinical services, including testing and counseling, and will make referrals as necessary to other

health-care agencies. Questions regarding HIV can be directed to the Hall Health Primary Care Center, 206-685-AIDS, or the HIV/STD Information Hotline: 206-205-7837. Additional information is available on the Hall Health Website www.hallhealthcenter.com/qa-detail.asp?QandAID=55&ClinicID=1
