

Essays: Write a short essay on 2 of the following 3 topics, each on a separate page (one-half to one page each):

1. Describe any scientific or research that you have done or with which you have assisted.
2. Describe a way that another culture has influenced you.
3. Describe any courses or experiences that you have had that you think would enhance your learning experience in Costa Rica (ie. language, history, travel, construction, exhibits). Describe each in detail.

References: List the names of two people who are willing to provide a recommendation for you (at least one should be an academic reference)

1. Name: _____ Position: _____ e-mail/phone: _____
2. Name: _____ Position: _____ e-mail/phone: _____

I have read the information about the course and travel requirements. I understand all the conditions under which the program will be operated, including those that apply to payment and refund conditions for the program (UWT) and for travel (TAE).
